## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

Friday, the 12th day of  
October, 1956.

WHEREAS this Board by an Order dated the 7th day of June, 1956, dissolved The Corporation of the Township of Cardiff, in the Provisional County of Haliburton and incorporated the inhabitants thereof as an Improvement District under the name of "THE CORPORATION OF THE IMPROVEMENT DISTRICT OF CARDIFF" and further ordered that the said Improvement District shall be deemed to be a township municipality; and it having coming to the notice of the Board that doubts have arisen as to the effect of the said order on the public school boundaries in and adjacent to the said Improvement District;

1. THE BOARD ORDERS that the said order dated the 7th day of June, 1956, be amended by adding thereto as clause 5 the following:

"5. AND THE BOARD FURTHER ORDERS—

- (a) that the dissolution of The Corporation of the Township of Cardiff and the incorporation of The Corporation of the Improvement District of Cardiff shall not affect the public school divisions in and adjacent to the Improvement District of Cardiff;
- (b) that the former Township School Area of the Township of Cardiff shall hereafter be known as the Township School Area of the Improvement District of Cardiff and shall continue to comprise all of the land within the Improvement District of Cardiff (except that part of the Improvement District of Cardiff situated in the former Union School Sections Numbers 6 and 8 Monmouth and Cardiff in the Wilberforce Consolidated School District now being part of the Township School Area of the Township of Monmouth), together with that part of the Township of Herschel in the County of Hastings situated in former Union School Section No. 4, 4 Cardiff and Herschel and heretofore being part of the former Township School Area of the Township of Cardiff;
- (c) that the members of The Board of Trustees of the Improvement District of Cardiff shall, notwithstanding The Public Schools Act, be the members of The Board of School Trustees of the Township School Area of the Improvement District of Cardiff;
- (d) that The Board of School Trustees of the Township School Area of the Township of Cardiff shall be dissolved, and that all the assets and liabilities of The Board of School Trustees of the Township School Area of the Township of Cardiff shall become assets and liabilities of The Board of School Trustees of the Township School Area of the Improvement District of Cardiff, which shall have the rights, powers, benefits and advantages conferred, and be subject to all liabilities imposed, either by statute, by-law, contract or otherwise, upon The Board of School Trustees of the Township School Area of the Township of Cardiff;
- (e) that that part of the Improvement District of Cardiff situated in former Union School Sections No. 6 and 8 Monmouth and Cardiff in the Wilberforce Consolidated

School District now being part of the Township School Area of the Township of Monmouth, shall continue to be part of the Township School Area of the Township of Monmouth."

2. AND THE BOARD FURTHER ORDERS that this order shall be deemed to have come into effect on the 11th day of June, 1956.

Chairman.

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

IN THE COUNTY COURT OF THE  
COUNTY OF OXFORD

IN THE MATTER of Section 388 (1) of The Municipal Act, R.S.O. 1950, Chapter 243,

AND IN THE MATTER of an application by the Council of the Corporation of the City of Woodstock for approval of By-Law number 3145 providing for changes in names of streets in the City of Woodstock.

NOTICE OF APPLICATION

TAKE NOTICE that an application will be made on behalf of the Council of the Corporation of the City of Woodstock, before His Honour Judge Eric W. Cross, at his Chambers in the Court House, Woodstock, on Thursday, the 22nd day of November, 1956, at the hour of 11.00 o'clock in the forenoon or so soon thereafter as the application can be heard for a certificate approving By-Law Number 3145 providing for changes in names of streets in the City of Woodstock, a true copy of which By-Law appears as Schedule "A" hereto.

Dated at Woodstock, Ontario, this 17th day of October, 1956.

BURRIDGE,  
Woodstock, Ontario,  
Solicitors for the  
Corporation of the City of  
Woodstock.

SCHEDULE "A"

THE CORPORATION OF THE CITY OF WOODSTOCK

BY-LAW NUMBER 3145

A By-Law to provide for changes in names of streets in the City of Woodstock.

WHEREAS councils of local municipalities are empowered by Section 388 (1) of The Municipal Act, R.S.O. 1950, Chapter 243, to pass by-laws changing the names of streets in a municipality;

AND WHEREAS the council of the Corporation of the City of Woodstock desires to change the names of the several streets hereinafter referred to and for the reasons indicated therein;

NOW THEREFORE the Council of The Corporation of the City of Woodstock enacts as follows:

1. That Alan Street as shown on Registered Plan 570 be re-named Sloane Street. The change is required as these streets form a continuous street.

2. That Vincent Street between Wellington Street North and Brant Street as shown on Registered Plan 512 be re-named Northdale Drive. The change is required as this portion of Vincent Street runs both east and west and north and south.

3. That Isabel Street from Bee Street to Aileen Drive as shown on Registered Plan 552 be re-named Aileen Drive. The change is required as this portion of Isabel Street is continuous with Aileen Drive.

4. That Lee Street as shown on Registered Plan 490 be re-named Lee Avenue. The change is required to avoid confusion with Bee Street.

5. That Concession Street North from Vansittart Avenue to the easterly limit of the City be re-named Devonshire Avenue. The change is required to avoid confusion with township concession roads.

6. That Victoria Street and Ontario Street north of the Second Concession as shown on Registered Plan 503 be re-named Windermere Crescent. The change is required to avoid confusion as these streets form a crescent and should have one name.

7. That Concession Street South from Russell Street to the easterly limit of the City be re-named Parkinson Road. The change is required to avoid confusion with township concession roads.

8. That Wilton Crescent extend from Knightsbridge Road easterly to Winchester Street thereby changing the names of Wilton Place and Greenleaf Crescent to Wilton Crescent. The change is required as these streets form a continuous street.

9. That Wilton Crescent between Sloane Street and the re-named Wilton Crescent referred to in paragraph 8 hereof be re-named Wilton Place. The change is required to eliminate confusion in names.

READ a first and second time this 11th day of October, 1956.

READ a third time and finally passed this day of 1956.

Made—18th October, 1956.

Filed—19th October, 1956.

REGULATIONS MADE UNDER  
THE MOTHERS' ALLOWANCES ACT, 1952

## ADVISORY BOARD

1.(1) The Minister shall appoint an advisory board composed of 3 or more persons at least one of whom is a duly qualified medical practitioner.

(2) The Minister shall designate a medical practitioner appointed under subregulation 1 as chairman of the board.

2. The advisory board shall investigate the eligibility of a person who is in receipt of an allowance or by whom or on whose behalf application has been made for an allowance, granted or applied for under clause *c* of subsection 1, subsection 5, or subsection 5*a*, of section 2 of the Act, and for this purpose shall

- (a) review medical evidence submitted in support of the application,
- (b) obtain any additional evidence necessary to make a complete report under clauses *c* and *d*,
- (c) report to the Director whether or not the husband or father by or in respect of whom an allowance is applied for is employable, or under what conditions he would become employable, and
- (d) review annually or as the Director may direct, the mental and physical condition of a husband or father to or in respect of whom an allowance is being paid, and report to the Director any change.

## MAXIMUM ALLOWANCES

3.(1) The maximum amounts of allowances are

- (a) to a mother, or to the mother of a child born out of wedlock, or to a permanently unemployable father referred to in subsection 5*a* of section 2 of the Act,
  - (i) \$50 a month towards the support of one child, and \$10 a month towards the support of each additional child, and a further sum not to exceed \$20 a month where the need is apparent to the Director, and
  - (ii) the monthly cost of fuel, not to exceed \$24 a month during the months of September in each year to March in the following year, inclusively; but where the beneficiary resides in rented premises which are heated by the landlord the monthly cost of the fuel is deemed to be 10 per cent of every month's rent paid by the beneficiary, or \$14 a month, whichever is the lesser;
- (b) to a foster mother
  - (i) \$24 a month towards the support of one foster child, or \$48 a month towards the support of two foster children, and an additional \$10 a month towards the support of each foster child over two, and

further sum not to exceed \$20 a month where the need is apparent to the Director, and

- (ii) the amount by which the applicant's monthly cost of fuel, determined as in sub-clause ii of clause *a*, is increased by reason of caring for the foster child or children;

(2) A beneficiary shall without cost be entitled to

- (a) medical services provided under any agreement in writing in force from time to time between the Crown and the Ontario Medical Association, and
- (b) dental services provided under any agreement in writing in force from time to time between the Crown and the Royal College of Dental Surgeons of Ontario.

(3) The maximum amount of an additional allowance paid to a mother or foster mother in respect of a husband or father who is permanently unemployable is \$10.

## APPLICATIONS FOR ALLOWANCES

4.(1) An application for an allowance shall be made to the Director.

(2) An investigator shall fill out and complete the application in the presence of the applicant and the applicant shall sign the application in the presence of the investigator.

(3) The investigator shall immediately send the completed application and material in support of the application to the Director.

5.(1) An application by a mother, the mother of a child born out of wedlock, or a permanently unemployable father under subsection 5*a* of section 2 of the Act shall be in form 1.

(2) An application by a foster mother shall be in form 2.

6.(1) An application in form 1 shall be accompanied by a consent to inspect assets in form 3.

(2) An application under clause *b* of subsection 1 of section 2 of the Act shall be accompanied by a statutory declaration of the applicant, in form 4.

(3) An application under clause *d* of subsection 1 of section 2 of the Act shall be accompanied by a statutory declaration of the applicant, in form 5.

(4) The application of a permanently unemployable father, or of an applicant who claims an additional allowance in respect of a permanently unemployable father or husband, shall be accompanied by a report of a duly qualified medical practitioner in form 6.

(5) The application of a mother whose child was born out of wedlock shall be accompanied by a statutory declaration of the applicant in form 7.

7.(1) Where a mother who has divorced the father of her child or children applies for an allowance she shall submit with her application the final decree or judgment or the Act dissolving the marriage, or a copy thereof certified by the proper officer.

(2) An applicant shall furnish to the satisfaction of the Director

- (a) proof of the date of birth of a child or foster child in respect of whom an allowance is applied for,

- (b) in the case of a mother whose child or children were not born out of wedlock, proof of her marriage, and
- (c) where the death of the spouse of the applicant or parent of a child or foster child in respect of whom an allowance is applied for is indicated in the application, proof of such death.

#### INVESTIGATORS

8. Administrators and staffs of district offices of the Department of Public Welfare, and supervisors of field workers are designated as investigators.

9. An investigator shall not charge any fee to, or receive any remuneration from or on behalf of, any beneficiary or applicant for an allowance in respect of any duty performed or service rendered under the Act or regulations.

#### 10. An investigator shall

- (a) at the request of the Director
  - (i) investigate the statements in an application for an allowance,
  - (ii) investigate the circumstances under which the child or children in respect of whom the allowance is applied for are being cared for, and
  - (iii) investigate the suitability of the applicant to receive an allowance,
- (b) investigate and report on any matter concerning a beneficiary, or a child or person in respect of whom an allowance is paid, as the Director or the Minister may request,
- (c) submit annually to the Director 2 reports at 4-month intervals from the time the application is granted, and an annual report, on the circumstances during the interval which might affect the continuance or otherwise of payment of the allowance to a beneficiary assigned to him by the Director, and
- (d) by friendly advice assist each beneficiary assigned to him in any matter relating to the allowance and expenditure thereof.

#### SUSPENSION AND CANCELLATION OF ALLOWANCES

11. Where a beneficiary does not expend the whole of an allowance towards the care of the child or children in respect of whom the allowance is paid the Director may

- (a) suspend or cancel the allowance, or
- (b) direct that the allowance or part thereof be paid to any other person approved by the Director and approved in writing by the beneficiary as a trustee upon trust to expend the allowance towards the care of the child or children.

12. The Director may suspend or cancel an allowance for any reason that an application therefor would be refused.

#### PROPERTY QUALIFICATIONS FOR ALLOWANCES

13.(1) In this regulation "liquid assets" means cash, bonds, debentures, stocks, and any other assets which can be converted readily into cash, and includes the beneficial interest in assets held in trust and available to be used for maintenance, but does not include a debt owing on the security of a mortgage, the cash surrender value of an insurance policy, or an amount due or paid pursuant to a judgment for damages in favour of a child or children in respect of whom an allowance is applied for or allowed.

(2) An applicant in form 1 who owns an interest or estate in real property, other than real property being used as a dwelling by the applicant, is not entitled to an allowance unless the applicant agrees to such arrangement or disposition of the interest or estate as the Director deems advantageous for the care of the applicant's child or children.

(3) Where an applicant in form 1 and the applicant's child or children own total liquid assets in excess of \$1,000, the applicant is not entitled to an allowance unless the liquid assets are applied for a series of future monthly or other periodic payments towards the support of the child or children in such manner as may be approved by the Director.

(4) Where a foster mother applies in form 2 for an allowance and liquid assets in excess of \$400 are owned by a foster child in respect of whom the allowance is applied for, the applicant is not entitled to an allowance in respect of the child unless the liquid assets are applied to provide for a series of future monthly or other periodic payments towards the support of the child in such manner as may be approved by the Director.

#### TIME AND MANNER OF PAYMENT OF ALLOWANCES

14.(1) Subject to subregulations 2 and 3, an allowance shall be paid by cheque, monthly in arrears, computed from the 1st day of the month following the month in which the allowance is granted.

(2) Where an allowance is granted after the last day of the month in which the application was received by the Director, and delay in making the grant is caused by circumstances wholly beyond the control of the applicant, the Director may direct that the payments shall commence on an earlier date to be set by him, but that date shall not be before the date on which the Director receives the application, or more than 4 months before the date on which he grants the allowance, whichever is the later.

(3) Where the Director cancels an allowance for the reason that the child or children in respect of whom the allowance has been paid have ceased to be in the care of the beneficiary, and prior to the cancellation an application has been made by another person for an allowance in respect of the same child or children, the Director may direct that payment of the allowance granted on the application commence on the first day of the month following the month in which the cancelled allowance is cancelled.

#### GENERAL

15. Ontario Regulations 199/52, 254/52, 143/53, 173/53, 158/54, and 160/55 are revoked.

  - (iii) 6 additional papers.

(2) An applicant may substitute for the requirements under clause b of subregulation 1 evidence that

- (a) he holds a degree from a university in the Commonwealth of Nations in a course of study the Minister deems equivalent to the requirements in clause b of subregulation 1, under clause b of subsection 1 of section 11 of the Act, or
- (b) he has completed successfully the First Year at the University of Ottawa, but only if the courses of English 1, 1a, 1b, and Français 1 in the calendar of that university have been included, or
- (c) he has completed successfully a course the Minister deems equivalent to the course in clause b, under clause b of subsection 1 of section 11 of the Act.

(3) An applicant may substitute for evidence of grade 13 standing in music

- (a) the following certificates from the Royal Conservatory of Music of Toronto:
  - (i) grade II theory and grade VIII in a practical subject, or
  - (ii) grade IV theory, or

- (b) a certificate the Minister deems equivalent to the certificate in subclause i or ii of clause a, under clause b of subsection 1 of section 11 of the Act.

(4) Where an applicant

- (a) has been honourably discharged from active service in Her Majesty's forces, and
- (b) submits evidence of grade 12 standing in English, French for French-speaking candidates, history, and mathematics,

he may substitute evidence of 6 or 12 or 24 or 30 or 36 or 42 or 48 months of active service for evidence of grade 13 standing in 1 or 2 or 3 or 4 or 5 or 6 or 7 or 8, respectively of the papers specified in clause b of subregulation 1.

(5) Where an applicant submits evidence that he has obtained at least 40 marks on one or more of the grade 13 papers in English composition and English literature, French composition and French literature for French-speaking candidates, history, and algebra and geometry, he shall not be required to submit

evidence of corresponding grade 12 standing in English, French for French-speaking candidates, history, or mathematics, respectively, under subregulation 4.

(6) An applicant for admission to the Elementary-School Teacher's Certificate Course who holds an Interim Primary School Specialist's Certificate and whose university course included the courses of English 1, 1a, 1b, and Français 1 in the calendar of the University of Ottawa, or a course the Minister deems equivalent thereto under clause *b* of subsection 1 of section 11 of the Act, shall be exempted from attendance during the months of September, October, November, and December.

(7) An applicant for admission to the Elementary-School Teachers' Certificate Course who holds an Interim High School Assistant's Certificate, Type B, and whose university degree included the courses of English 1, 1a, 1b, and Français 1 in the calendar of the University of Ottawa, or a course the Minister deems equivalent thereto under clause *b* of subsection 1 of section 11 of the Act, shall be exempted from attendance during the months of September, October, November, and December.

(8) An applicant for admission to the Elementary-School Teacher's Certificate Course who

- (a) complies with the requirements of subregulation 1, and
- (b) holds an Interim Ordinary Vocational Certificate or an Interim Vocational Certificate, Type B,

shall be exempted from attendance during the months of September, October, November, and December.

#### ADMISSION REQUIREMENTS FOR THE DEFERRED ELEMENTARY-SCHOOL TEACHER'S CERTIFICATE COURSE

7. An applicant for admission to the Deferred Elementary-School Teacher's Certificate Course shall

- (a) comply with the requirements of regulation 5,
- (b) submit to the Deputy Minister evidence that he holds grade 13 standing in
  - (i) English composition or English literature,
  - (ii) French composition or French literature for French-speaking candidates, and
  - (iii) 3 additional papers.

#### ADMISSION REQUIREMENTS FOR THE SECOND CLASS CERTIFICATE COURSE

8. An applicant for admission to the Second Class Certificate Course shall

- (a) comply with the requirements of regulation 5, and
- (b) submit to the Deputy Minister evidence that he holds the Secondary School Graduation Diploma of the General Course with at least 3 options, one of which shall be composed of French composition and French literature for French-speaking candidates.

#### ADMISSION REQUIREMENTS FOR THE IN-SERVICE COURSE

9. (1) An applicant for admission to the Summer Session, First Year, shall

- (a) comply with the requirements of regulation 5,
- (b) submit to the Deputy Minister evidence that

(i) he holds the Secondary School Graduation Diploma of the General Course with at least 3 options, one of which shall be composed of French composition and French literature for French-speaking candidates, and

(ii) he has taught for at least 6 months in an elementary school where French is a subject of instruction with the approval of the Minister, certified by the inspector concerned.

(2) An applicant for admission to the Summer Session, Second Year, shall submit to the Deputy Minister his Deferred Interim Second Class Certificate, with item 1 thereon completed and signed by the inspector concerned.

(3) An applicant for admission to the Summer Session, Third Year, shall submit to the Deputy Minister his Deferred Interim Second Class Certificate with item 3 thereon completed and signed by the inspector concerned.

#### DATES OF APPLICATIONS

10. (1) Subject to subregulation 2 and 3, an applicant for admission to a University of Ottawa Teachers' College course shall submit his application not later than the 23rd of August in the year in which he intends to enter the course.

(2) An applicant for admission to the Summer Session, First Year, shall submit his application not later than the 1st of April in the year in which he intends to enter the summer session.

(3) An applicant for admission to the Summer Session, Second Year, or the Summer Session, Third Year, shall submit his application not later than the 1st of June in the year in which he intends to enter the summer session.

#### CARDS OF ADMISSION

11. (1) Subject to subregulation 2, where an applicant has complied with the requirements for admission to a University of Ottawa Teachers' College course, with the exception of the medical examination, the Deputy Minister shall send him a card of admission in form 4.

(2) Where the number of applicants for admission to the Summer Session, First Year, exceeds the number which in the opinion of the Minister is required to meet the anticipated shortage of teachers for the elementary schools in which French is a subject of instruction with the approval of the Minister, for the next succeeding school year, the Minister shall determine the basis of selection of eligible applicants to be admitted.

(3) No applicant shall be admitted to a University of Ottawa Teachers' College course unless he presents to the principal his card of admission.

#### COMMITTEES OF SELECTION

12. (1) The Minister shall annually appoint a committee of selection for the University of Ottawa Teachers' College and for the Summer Session, First Year.

(2) The committee of selection for the University of Ottawa Teachers' College or the summer session, as the case may be, shall be composed of

- (a) the principal and instructional staff of the Teachers' College or summer session, as the case may be,
- (b) at least one elementary-school inspector, and

(c) at least one representative of the Ontario Teachers' Federation.

(3) The principal of the University of Ottawa Teachers' College or of the Summer Session, First Year, shall be chairman of the committee of selection for the Teachers' College or summer session, as the case may be.

(4) The recommendation of the committee of selection with regard to an applicant may be based upon an interview conducted by a person or persons appointed by the committee for this duty, and may be based in part upon the results of written tests prescribed by the Minister.

(5) No recommendations for the rejection of an applicant shall be based upon fewer than 2 interviews and at one of these interviews at least 3 members of the committee of selection shall be present.

(6) The recommendations of the committee of selection shall be made to the Minister, whose decisions with regard to them shall be final.

(7) Where an applicant is rejected on the recommendation of a committee of selection, the Minister shall refund to the applicant his transportation costs, board and lodging in the manner provided in clauses *b* and *c*, respectively, of subregulation 6 of regulation 14.

(8) A representative of the Ontario Teachers' Federation appointed by the Minister to interview applicants on behalf of a committee of selection shall be paid at the rate of \$20 for a 6-hour day for each day of duty.

#### SPECIAL COMMITTEE

13. (1) The Minister shall appoint a special committee to perform the duties of the committee of selection in the case of an applicant who received his elementary- or secondary-school education outside of Canada, the United Kingdom, or the United States of America.

(2) The special committee shall be composed of

- (a) the Registrar, or a person named by him, who shall be chairman,
- (b) the Superintendent of Elementary Education or a person named by him,
- (c) the Superintendent of Secondary Education or a person named by him,
- (d) the Superintendent of Professional Training or a person named by him, and
- (e) a representative of the Ontario Teachers' Federation.

(3) The recommendations of the special committee shall be made to the Minister, whose decisions with regard to them shall be final.

(4) Where an applicant resident in Ontario is required to meet the special committee in Toronto, the Minister shall refund to the applicant the cost in excess of \$5.00 of the return railway or bus fare from the station nearest his place of residence to Toronto and the cost of any necessary meals, sleeping-car accommodation, and lodging.

#### MEDICAL EXAMINATION

14. (1) An applicant shall not be admitted to attendance at a University of Ottawa Teachers' College course until he passes a medical examination conducted by a duly qualified medical practitioner appointed by the Minister.

(2) The principal shall notify the applicant of the time and place at which he is to present himself for the medical examination.

(3) Subject to subregulation 4, the applicant shall pay a fee of \$2.50 for the medical examination.

(4) No fee shall be payable by an applicant who has been honourably discharged from active service in Her Majesty's forces.

(5) Where the practitioner certifies that an applicant has a physical condition which is likely to become aggravated but which is not sufficiently serious to prevent admission, the applicant shall not be admitted unless he signs a document waiving his right to a pension under sections 28 and 29 of *The Teachers' Superannuation Act*.

(6) Where an applicant is enrolled as a teacher-in-training but fails to pass the medical examination, the Minister shall refund to the applicant,

- (a) the fee for the examination,
- (b) the return coach-class railway fare or bus fare between the centre at which the course is offered and the station nearest the applicant's place of residence in Ontario, and
- (c) a sum for board and lodging at the rate of \$1 a day from the date the applicant began attendance at the course until the date he was notified of his exclusion by the principal.

(7) Where an applicant has passed the medical examination under this regulation in a previous year and again presents himself for admission to a University of Ottawa Teachers' College course, he may be exempted from another medical examination, but only if not more than 3 years have elapsed since the date of the examination.

15. (1) Where during the course the principal recommends to the Minister that a teacher-in-training be required to undergo a further medical examination, the Minister may

- (a) order a medical examination for the teacher-in-training, and
- (b) appoint a duly qualified medical practitioner to conduct the examination.

(2) Where the medical practitioner certifies that the teacher-in-training is medically unfit, the Minister shall direct the principal to notify the teacher-in-training of his exclusion.

#### DUTIES OF PRINCIPALS

16. The principal of the University of Ottawa Teachers' College or a summer session, as the case may be, shall

- (a) prescribe the duties of his staff,
- (b) be responsible for the efficiency of his Teachers' College or summer session, and
- (c) prepare such reports as are required from time to time by the Superintendent of Professional Training.

#### DUTIES OF TEACHERS-IN-TRAINING

17. Every teacher-in-training in a University of Ottawa Teachers' College course shall

- (a) attend the classes punctually and regularly, and
- (b) submit to the discipline and authority of the principal.

#### SUSPENSION AND DISMISSAL OF TEACHERS-IN-TRAINING

18. (1) The principal may, after a hearing, suspend from the University of Ottawa Teachers' College or a summer session, as the case may be, at any time during the course a teacher-in-training whose conduct, progress, or attendance is unsatisfactory.

(2) Where the principal suspends a teacher-in-training, he shall notify the Minister, who shall

- (a) remove, confirm, or modify the suspension, or
- (b) dismiss the teacher-in-training from the course.

#### FINANCIAL ASSISTANCE

19. (1) Where a teacher-in-training who is in attendance at the University of Ottawa Teachers' College during the school year is unable to reach the Teachers' College from his place of residence daily by street car or by the use of commutation tickets on a railway, the Minister, may, upon the recommendation of the principal, grant him financial assistance.

(2) The financial assistance shall be

- (a) the amount in excess of \$5.00 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the Teachers' College in September and the fare for returning therefrom at the end of the school year, and
- (b) an amount not exceeding 70 cents a day for board and lodging for the days, including Saturdays and Sundays, on which the teacher-in-training is in residence in Ottawa for the purpose of attending Teachers' College.

(3) The financial assistance in clause *b* of sub-regulation 2 shall be paid by a loan to the teacher-in-training, secured by a promissory note from the teacher-in-training to the principal, with adequate security.

(4) Where the teacher-in-training teaches in elementary schools in which French is a subject of instruction with the approval of the Minister, for 1 or 2 or 3 or 4 years, he shall be exempted from repaying one-quarter, one-half, three-quarters, or the whole amounts, respectively, of the loan.

(5) Financial assistance under this regulation shall be granted to a teacher-in-training for only one year.

#### REFUNDS OF TRAVELLING EXPENSES SUMMER SESSIONS

20. Where a teacher-in-training at a summer session is a resident of Ontario, the Minister shall refund the cost in excess of \$5 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the Teachers' College, at the beginning of the summer session and the fare for returning therefrom at the end of the summer session.

#### PRACTICE SCHOOLS

21. (1) The principal of the University of Ottawa Teachers' College shall, in co-operation with the boards and the inspectors or superintendents of schools concerned, select, from the rural and urban schools in which French is a subject of instruction with the approval of the Minister, teachers of experience and sound judgment who shall be known as "practice teachers".

(2) The practice teachers shall be in charge of the directed observation and practice teaching of the teachers-in-training.

22. The instructional staff of the University of Ottawa Teachers' College in co-operation with the

practice teachers, shall determine the final standing of the teachers-in-training in practice teaching.

23. The principals and teachers of the practice schools shall, for the purposes of the University of Ottawa Teachers' College, be subject to the authority of the principal of the Teachers' College.

24. The principal of the University of Ottawa Teachers' College shall, in co-operation with the principals of the practice schools, arrange the timetable for observation and practice teaching.

25. A practice teacher shall permit teachers-in-training to enter his classroom for observation and practice teaching.

26. Where a dispute arises between the principal of the University of Ottawa Teachers' College and the principal or teacher of a practice school in connection with any matter affecting the Teachers' College, it shall be submitted for settlement to the board of the practice school and, in the event of continued disagreement, to the Minister, whose decision shall be final.

#### SESSIONAL RECORDS

27. (1) The instructional staff of the University of Ottawa Teachers' College shall keep a record of the term work of each teacher-in-training, to be known as a "sessional record".

(2) A sessional record of a teacher-in-training of the University of Ottawa Teachers' College shall be based on

- (a) observation in practice schools,
- (b) oral and written class tests,
- (c) practical work,
- (d) practice in valuing answer papers of practice-school pupils, and
- (e) term examinations.

(3) The instructional staff of the University of Ottawa Teachers' College shall take into consideration in determining the sessional record of a teacher-in-training his attitude to his work and his adaptability to teaching.

28. Where a teacher-in-training of the University of Ottawa Teachers' College obtains a sessional record of at least 66 per cent in a subject, the principal may exempt him from writing the final examination in that subject.

#### FINAL EXAMINATIONS

29. (1) The final examinations of the University of Ottawa Teachers' College and the summer sessions shall be conducted under the supervision of the Superintendent of Professional Training in accordance with a timetable determined by the Minister.

(2) The question papers for the final examinations shall be prepared by the instructional staff of the Teachers' College or summer session, as the case may be.

(3) The answer papers for the final examination shall be marked by the staff of the Teachers' College or summer session, as the case may be.

(4) The Minister may direct the principal of the University of Ottawa Teachers' College to admit to the final examinations a teacher-in-training who has previously failed in one or more subjects of a University of Ottawa Teachers' College course.

30. (1) Subject to subregulation 3 and 4, the maximum number of marks for each subject shall be 200 of which 100 shall be for the sessional record and 100 for the final examinations.

(2) The maximum number of marks for practice teaching shall be 1000.

(3) The standing of extramural teachers-in-training shall be determined by the final examinations, in which case the maximum number of marks for each subject shall be 200.

(4) The standing of teachers-in-training in the summer sessions shall be determined by the final examinations, in which case the maximum number of marks for each subject shall be 200.

31. Where a teacher-in-training in the Elementary-School Teacher's Certificate Course, or the Deferred Elementary-School Teacher's Certificate Course, or the Second Class Certificate Course

- (a) has complied with the requirements for admission to the course
- (b) has obtained at least 600 marks in practice teaching, and
- (c) has, for each subject of the course,
  - (i) been exempted under regulation 28 from writing the final examination, or
  - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the principal of the University of Ottawa Teachers' College and the Superintendent of Professional Training shall report to the Deputy Minister that the teacher-in-training has successfully completed the course.

32. Where the principal of the University of Ottawa Teachers' College and the Superintendent of Professional Training are unable to report under regulation 31 that a teacher-in-training has successfully completed his course, the teacher-in-training may repeat in a subsequent year the course in which he was enrolled, but he shall be exempted from attendance during the months of September, October, November, and December.

33. Where a teacher-in-training in the Summer Session, First Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examination,

the Minister shall, upon the recommendation of the principal and the Superintendent of Professional Training, grant him a Deferred Interim Second Class Certificate in form 5.

34. Where a teacher-in-training in the Summer Session, Second Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examination,

the Registrar shall, upon the recommendation of the principal and the Superintendent of Professional Training, endorse his Deferred Interim Second Class Certificate in item 2.

35. Where a teacher-in-training in the Summer Session, Third Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examinations,

the principal of the summer session and the Superintendent of Professional Training shall report to the Deputy Minister that he has successfully completed the In-service Course.

#### APPEALS

36. (1) Where a teacher-in-training in the University of Ottawa Teachers' College passes in practice teaching but fails to pass the final examination in one or more subjects, or where a teacher-in-training in a summer session fails to pass the final examination in one or more subjects, his case shall be re-considered if within 2 weeks after the examination results are announced he submits to the Deputy Minister

- (a) an appeal,
- (b) a statement of the grounds upon which the appeal is based, and
- (c) a fee of \$2 for each paper appealed.

(2) The appeal fee shall be refunded to a teacher-in-training whose appeal is successful.

Applications to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy

of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each

such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

Treasurer, County of Dufferin.

Dated at Orangeville, Ontario, this 18th day of October, 1956.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES

CORPORATION OF THE CITY OF PETERBOROUGH

To WIT:

BY VIRTUE OF A WARRANT issued by the Mayor of the City of Peterborough, under his hand and Seal of the Corporation of the City of Peterborough, bearing date the 26th day of September, 1956, to me directed, commanding me to levy upon and sell the lands mentioned in the following list for arrears of taxes and costs due thereon, I hereby give notice that unless such arrears of taxes and costs are sooner paid I shall, pursuant to the provisions of the Assessment Act, proceed to sell by public auction the said lands to discharge such arrears of taxes and costs thereon, at the Council Chambers of the City Hall in the City of Peterborough on Wednesday, the sixth day of February, 1957, at the hour of two o'clock in the afternoon.

AND NOTICE IS FURTHER GIVEN, that in the event of insufficient bids being received to meet such charges and costs together with arrears due on the said lands, an adjourned sale will be held at the same place and at the same hour on Thursday the fourteenth day of February, 1957, and that at such adjourned sale it is the intention of the Corporation to purchase such lands as remain unsold.

Peterborough, Ontario, September 26th, 1956.

D. W. HILL,  
City Treasurer.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may

any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in

the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

THE JUNIOR FARMER ESTABLISHMENT  
ACT, 1952**O. Reg. 211/56.**

Debenture Issue.

New.

Made—25th October, 1956.

Filed—30th October, 1956.

TO THE HONOURABLE LOUIS ORVILLE BREITHAUPT, LL.D., Lieutenant-Governor of the Province of Ontario.

Report of a Committee of the Executive Council on Matters referred to their consideration.

Approved and Ordered 25th day of October 1956.  
L. O. Breithaupt.

## ON MATTERS OF STATE

May it please your Honour

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture, dated October 24th 1956, wherein he states that,

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") by Resolution of its Board of Directors passed the 21st day of September, 1956, has authorized, subject to the approval of your Honour in Council, the raising of money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of \$15,000,000 payable in the manner and on the terms set forth in the said Resolution for the purpose of repaying in full temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation;

AND WHEREAS the Corporation has made application for the approval of your Honour in Council of the raising of money by way of loan by the issue and sale of the said Debentures of the Corporation as set forth and provided in its said Resolution and has further requested that payment of the principal of and interest on the said Debentures be guaranteed by the Province of Ontario;

The Honourable the Minister of Agriculture therefore recommends that:

1. Pursuant to the provisions of *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof, the Corporation be authorized for the purpose of repaying in full temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation to raise money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of \$15,000,000 bearing interest at the rate of Four and one-half per centum per annum payable half-yearly on the 1st day of April and on the 1st day of October in each year of their currency and payable on the 1st day of October, 1976, subject to redemption at the option of the Corporation as a whole or in part on the 1st day of October, 1975 or on any date thereafter upon payment of the principal amount thereof together with interest accrued thereon to the date of redemption; the principal of and interest on the said Debentures to be payable in lawful money of Canada at the office of the Treasurer of Ontario in the City of Toronto.

2. The said Debentures be issued originally in the form of Fully Registered Debentures without coupons in denominations of \$100,000 or any multiple or multiples thereof but exchangeable for Coupon Debentures in the denomination of \$1,000 as provided in said Resolution; such Debentures when issued in

the form of Fully Registered Debentures shall be dated the 1st day of October, 1956 or such later date or dates as the Corporation may determine and shall bear interest from the date thereof if it be a 1st day of October or 1st day of April and if not, from the 1st day of October or 1st day of April, whichever is later, next preceding the date thereof, such Debentures when issued in the form of Coupon Debentures in exchange for Fully Registered Debentures shall be dated the 1st day of October, 1956 but if any interest coupons have matured prior to the date of issue and delivery of any such Coupon Debentures, the same shall be cancelled and detached prior to such delivery.

3. The said Fully Registered Debentures and the said Coupon Debentures and the interest coupons attached to the said Coupon Debentures be substantially in the respective forms and be executed in the manner provided in the said Resolution of the Corporation.

4. The Treasurer of Ontario be authorized to guarantee payment by the Province of Ontario of the principal of and interest on the said Debentures of the Corporation in the principal amount of \$15,000,000 (and whether issued originally or in exchange for or upon the transfer of other Debentures comprising part of said issue of Debentures of the Corporation) payable in the manner and upon the terms in the said Resolution of the Corporation set forth and the respective forms of said guarantee be as set out below:

#### FULLY REGISTERED DEBENTURES GUARANTEE BY THE PROVINCE OF ONTARIO

By virtue of the powers conferred by the Legislature of the Province of Ontario, and of an Order of the Lieutenant-Governor in Council, the Province of Ontario hereby guarantees to the registered holder of this Debenture due payment of the principal of this Debenture and of the interest thereon according to the tenor of the said Debenture.

Officer of the Treasury  
Department

#### COUPON DEBENTURES GUARANTEE BY THE PROVINCE OF ONTARIO

By virtue of the powers conferred by the Legislature of the Province of Ontario, and of an Order of the Lieutenant-Governor in Council, the Province of Ontario hereby guarantees to the holder for the time being of the within Debenture and to the holder for the time being of any of the coupons attached thereto, due payment of the principal of the within Debenture and of the interest thereon, according to the tenor of the said Debenture and of the coupons attached thereto.

.....  
Treasurer of Ontario

Countersigned

.....  
Officer of the Treasury  
Department.

5. The said guarantee be endorsed or enfaced on the said Debentures (whether issued originally or in exchange for or upon the transfer of other Debentures comprising part of said issue of Debentures of the Corporation) and be executed on behalf of the Province by the Treasurer of Ontario holding office at the date of this Order-in-Council under his engraved, lithographed, or printed facsimile signature and be counter-

signed as to the whole or any part of said issue by Hugh Edward Brown, or Hugh Harold Walker, or Alfred William Davies, or Hugh Elmer Munro, or Lorne David Gagen, or Ernest Boyd Cumming, or Ruby Kathleen Bailey, or Joan Florence Shearer, each of whom is hereby constituted and appointed an officer of the Treasury Department and hereby designated for such purpose (or by any other duly constituted and appointed officer of the Treasury Department who may hereafter be designated for such purpose) and that the said Hugh Edward Brown be authorized to sign as H. E. Brown, and that the said Hugh Harold Walker be authorized to sign as H. H. Walker and that the said Alfred William Davies be authorized to sign as A. W. Davies and that the said Hugh Elmer Munro be authorized to sign as H. E. Munro and that the said Lorne David Gagen be authorized to sign as L. D. Gagen and that the said Ernest Boyd Cumming be authorized to sign as E. B. Cumming and that the said Ruby Kathleen Bailey be authorized to sign as R. K. Bailey and that the said Joan Florence Shearer be authorized to sign as J. F. Shearer and that such respective forms and manner of execution of said guarantee be hereby approved and determined.

6. The raising of money by way of loan by the said Corporation for the purposes aforesaid and the issue and sale of its said Debentures therefor as aforesaid be and the same are hereby approved.

7. The Resolution of the Corporation and Schedules A and B, hereto attached as Appendix 1, forms part hereof.

8. The foregoing be made as a regulation of your Honour in Council under the authority of the said *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

RESPECTFULLY SUBMITTED,

DANA PORTER  
Chairman.

#### APPENDIX I

September 20th, 1956.

Extract from Minutes of a Meeting of the Board of Directors of The Ontario Junior Farmer Establishment Loan Corporation duly called and held on the 21st day of September, 1956.

WHEREAS under and by virtue of *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45, and amendments thereof, The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") has power with the approval of the Lieutenant-Governor in Council to raise money by way of loan in the aggregate amount therein mentioned for the purposes and subject to the terms, conditions and provisions therein contained;

AND WHEREAS the Corporation has heretofore raised money by way of temporary loans amounting as of the 19th day of September, 1956, to the sum of Ten Million, Four Hundred and Thirteen Thousand, Eight Hundred and Fourteen Dollars and Sixty Cents (\$10,413,814.60) and it is desirable to raise money by way of loan to repay in full the said temporary loans and to carry out the object of the Corporation;

## BE IT RESOLVED:

1.—That for the purpose of repaying in full the said temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation, the Corporation, subject to the approval of the Lieutenant-Governor in Council, do raise money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of Fifteen Million Dollars (\$15,000,000.00).

2.—That such Debentures be issued originally in the form of Fully Registered Debentures without coupons in denominations of \$100,000 or any multiple or multiples thereof but exchangeable for Coupon Debentures in the denomination of \$1,000 as hereinafter provided; that such Debentures when issued in the form of Fully Registered Debentures shall be dated the 1st day of October, 1956 or such later date or dates as the Corporation may determine and shall bear interest from the date thereof if it be a 1st day of October or 1st day of April and if not, from the 1st day of October or 1st day of April, whichever is later, next preceding the date thereof; that such Debentures when issued in the form of Coupon Debentures in exchange for Fully Registered Debentures shall be dated the 1st day of October, 1956 but if any interest coupons have matured prior to the date of issue and delivery of any such Coupon Debentures, the same shall be cancelled and detached prior to such delivery; that the said Debentures shall bear interest at the rate of Four and one-half per centum ( $4\frac{1}{2}\%$ ) per annum payable half-yearly on the 1st days of April and October in each year and shall be payable on the 1st day of October, 1976 or on such earlier date as the said Debentures may be redeemed in accordance with the provisions hereinafter contained; and that the principal of and interest on the said Debentures be payable in lawful money of Canada at the office of the Treasurer of Ontario in the City of Toronto.

3.—That the Corporation shall have the right at its option to redeem the said Debentures as a whole or in part on the 1st day of October, 1975, or on any date thereafter, at the place where and in the money in which the said Debentures are expressed to be payable, upon payment of the principal amount thereof together with interest accrued thereon to the date of redemption, and upon giving previous notice of such redemption by advertising once in the Ontario Gazette and once in a daily newspaper of general circulation published in the City of Toronto, such notice to be advertised as aforesaid at least thirty days before the date fixed for redemption.

4.—That the Corporation do cause to be kept by the Secretary of the Corporation at the office of the Corporation in the City of Toronto, Canada, a register in which shall be entered the names and addresses of the holders of the Fully Registered Debentures and particulars of the Debentures held by them respectively, and in which transfers of Fully Registered Debentures may be registered, and a register in which the holders of Coupon Debentures may register the same as to principal only, and in which transfers of Coupon Debentures so registered may be registered; and that one or more Fully Registered Debentures of this issue (when accompanied by an instrument of transfer in form approved by the Corporation, executed by the registered holder or by his duly authorized attorney) may be exchanged for Coupon Debentures of this issue of the same aggregate principal amount in the denomination of \$1,000 each with all unmatured coupons attached, such exchange to be effected at the said office of the Corporation in the City of Toronto, provided that the Corporation shall not be required to make any exchanges, registrations or transfers of Fully Registered Debentures within fifteen days prior to an interest payment date.

5.—That the said Fully Registered Debentures be substantially in the form set forth in Schedule "A" hereto annexed and that the said Coupon Deben-

tures be substantially in the form set forth in Schedule "B" hereto annexed and that the said Fully Registered Debentures be subject to the conditions endorsed thereon as set forth in the said form of Fully Registered Debenture and that all of the said conditions be hereby approved.

6.—That the said Fully Registered Debentures and the said Coupon Debentures shall be under the Seal of the Corporation and shall be signed by the Chairman or Vice-Chairman of the Corporation and by the Secretary of the Corporation and the interest coupons attached to the Coupon Debentures shall be signed by the Secretary of the Corporation; that the signature of the Chairman or Vice-Chairman of the Corporation upon the said Fully Registered Debentures and upon the said Coupon Debentures and the signature of the Secretary of the Corporation upon the said interest coupons may be engraved, lithographed, printed or otherwise mechanically reproduced and any such engraved, lithographed, printed or mechanically reproduced signature shall be deemed for all purposes the signature of such officer and shall be binding upon the Corporation; that the said signatures shall be the signatures of the Chairman or Vice-Chairman of the Corporation and of the Secretary of the Corporation respectively holding office at the time each such signature is respectively affixed (either manually or by mechanical reproduction as aforesaid) to said Fully Registered Debentures, said Coupon Debentures, and said interest coupons respectively, and notwithstanding any change in any of the persons holding the said offices between the time when such signatures are so affixed and the date of delivery of said Debentures and notwithstanding the fact that the person whose signature is so affixed may not have held office at the date of the said Debentures or at the date of delivery thereof, the said Fully Registered Debentures, the said Coupon Debentures, and the said interest coupons so signed shall be valid and binding upon the Corporation.

7.—That application be made to the Lieutenant-Governor in Council for authority to issue Debentures of the Corporation as hereinbefore provided for the purposes hereinbefore mentioned.

8.—That the Lieutenant-Governor in Council be requested to authorize the Treasurer of Ontario to guarantee payment by the Province of Ontario of the principal of and the interest on the Debentures of the Corporation authorized to be issued as aforesaid.

9.—That the proceeds of the sale of the said Debentures be applied first to the repayment in full of the said outstanding temporary loans of the Corporation and thereafter to the extent of the balance of such proceeds to carry out the object of the Corporation.

10.—That the proper officers of the Corporation be and they are hereby authorized and directed to execute all such instruments and to do all such other acts and things as to them may seem necessary or advisable in order to give effect to the foregoing.

WE, John Charles Steckley and Thomas Ross Ewart, Chairman and Secretary respectively of The Ontario Junior Farmer Establishment Loan Corporation do hereby certify under the Seal of the Corporation that the above resolution was duly passed at a meeting of the Board of Directors of the said Corporation duly called and held on the 21st day of September, 1956, at which all of the members of the Board were personally present and voted unanimously in favour of said resolution.

(b) the building being constructed or altered or the plant being altered has a supply of clean, fresh water, and has facilities for disposal of sewage, sufficient for the purposes of the operation of the plant as constructed or altered,

(c) the construction or alteration of the building or alteration of the plant is carried out in accordance with the drawings and specifications submitted with the application in form 1,

(d) the applicant has complied with the provisions of municipal by-laws and Acts or regulations applicable to the construction or alteration being made.

4.(1) An application for a licence to operate a plant, or renewal thereof, shall be in form 3.

(2) A licence to operate a plant shall be in form 4.

(3) A licence is valid for the period from and including the 1st of April or the date of issue, whichever is the later, to the 31st of March next following.

(4) A licence may be limited to one or more classes of plants.

(5) The fee for a licence is \$1 and shall accompany the application therefor.

(6) A licence is not transferable.

5. A licence is issued on the terms and conditions that

(a) in the case of a creamery the buttermaking is in charge of a person who holds a butter-maker's certificate, and

(b) in the case of a cheese factory the cheese-making is in charge of a person who holds a cheesemaker's certificate.

- (c) the holder of the licence does not permit any employee to work in the plant
  - (i) while the employee has a communicable disease, or
  - (ii) who is not wearing outer clothing that is clean and light in colour.

6. The construction or alteration of a building intended for use as a plant shall be made so that

- (a) the floors of all rooms in which milk or milk products are handled, processed or stored are of concrete or other material impervious to liquids, and drained,
- (b) each wall in a room in which milk or milk products are handled, processed or stored has a base at least 6 inches above the floor level made of concrete or other waterproof material, and the joint between the floor and the base is water-tight,
- (c) the ceiling of a room in which processing is done is at least 10 feet above the floor,
- (d) the surfaces of the walls and ceilings of all rooms in which milk or milk products are handled, processed or stored are of washable and moisture-proof material,
- (e) there is provision for equipping all openings with screens, proof against flies or other insects and all doors with self-closing devices, or equivalent method of ensuring that flies or other insects do not enter,
- (f) rooms where milk and cream are handled or processed contain provision for lighting, ventilating and heating,
- (g) the ceilings in the plant are insulated and sealed against infiltration of dampness or vapour, with free circulation of air between the insulation and the roof,
- (h) a water-closet does not open directly into a room where milk or milk products are handled or processed,
- (i) sewage is carried from the building by pipes, each of which contains a trap in an accessible location and connecting with a municipal sewer or a septic tank,
- (j) any heating unit is located in a room having a concrete floor and not used for the handling, processing or storing of milk or milk products,
- (k)
  - (i) in the case of a cheese factory, there is a curing-room large enough for the operation intended,
  - (ii) in the case of a creamery, there is a cold storage room of a size large enough to hold at least seven days' production of butter, and
  - (iii) in the case of building intended for use as a plant for the manufacture of milk products other than butter or cheese, there are storage rooms large enough for the operation intended,

capable of being equipped with an automatic temperature-control system,

- (l) receiving rooms for milk and cream are enclosed and of sufficient size to permit freedom of movement in receiving, grading, sampling and handling of milk and cream and the washing of containers, and

- (m) rodents and other vermin do not enter or remain on the premises.

7.(1) Plants shall be equipped with

- (a) screens capable of preventing the entry of flies or other insects covering every opening into the plant, or other equivalent equipment, and a self-closing device on each outside door of the plant, and on each door of a water-closet,
- (b) a wash basin in each room where milk or milk products are handled,
- (c) a temperature-control system capable of automatically controlling the temperature in each curing-room, cold-storage room or storage room for efficient processing or preserving of milk or milk products therein,
- (d) a boiler or other equipment capable of maintaining a supply of hot water or steam sufficient for processing milk and cream and hot water for cleaning and sterilizing the equipment and rooms used in receiving, handling, processing or storing milk or milk products,
- (e)
  - (i) thermometers of shatter-proof material, and
  - (ii) thermometers on equipment used in processing, cleaning or sterilizing milk or milk products, capable of registering the temperature of the milk or milk product.

(2) A creamery shall be equipped with a pasteurizer having a capacity of at least 300 gallons and a churn capable of manufacturing at least 1000 pounds of butter at one time.

#### SANITATION

8.(1) Any part of a plant, including piping, pumps, containers, tanks and other equipment which is in contact with or likely to be in contact with milk or milk products shall be scoured of particles of milk or milk products by scrubbing or by a solvent and rinse

- (a) at least once every 24 hours, and
- (b) before there is a change in the kind of milk or milk product in contact with or likely to be in contact with the part of the plant.

(2) The floor of each room in a plant in which milk or milk products are handled or processed shall be scrubbed and rinsed with fresh water at least once every 24 hours.

(3) The walls and ceiling of each room in a plant in which milk or milk products are handled, processed or stored, and the floor of each room in a plant in which milk or milk products are stored shall be scrubbed and rinsed with fresh water at least once every 6 months, and at such other times as may be necessary to remove any noticeable accumulation.

9.(1) Where equipment or containers for handling, processing or storing milk or milk products are of metal, the surfaces likely to come in contact with milk or milk products shall be

- (a) smooth and anti-corrosive,
- (b) without open seams,
- (c) accessible at all points for scrubbing,
- (d) without joints which are not flush with adjoining surfaces.

(2) Wooden equipment used in a plant shall be of sound material with smooth surfaces, and joints or seams shall be sealed.

10. Tanks used for storing skim-milk, buttermilk or whey in a plant shall not be located in contact with earth and shall be of metal construction.

11.(1) The handling, processing or storing of milk or milk products shall be carried on in such a location and in such a manner that no matter foreign to the milk or milk product being handled, processed or stored can enter the milk or milk product.

(2) A room in which milk or milk products are stored shall not be used for storing other products or other milk or milk products that may contaminate or deteriorate the milk or milk products being stored.

(3) A plant shall not contain odours other than those resulting from the handling, processing or storing of fresh milk, or fresh milk products.

#### MILK AND CREAM TESTERS AND GRADERS

##### 12. The holder of

- (a) a milk tester's certificate is classified as a milk tester;
- (b) a cream tester's certificate is classified as a cream tester;
- (c) a milk grader's certificate is classified as a milk grader;
- (d) a cream grader's certificate is classified as a cream grader;
- (e) an apprentice milk tester's certificate is classified as an apprentice milk tester;
- (f) an apprentice cream tester's certificate is classified as an apprentice cream tester;
- (g) an apprentice milk graders certificate is classified as an apprentice milk grader; and
- (h) an apprentice cream grader's certificate is classified as an apprentice cream grader.

13.(1) Subject to subregulation 2, no person shall test for milk-fat content or supervise the testing of milk or cream received at a plant who is not a milk tester or cream tester, respectively.

(2) An apprentice milk tester or apprentice cream tester may test milk or cream respectively, for milk-fat content while personally supervised by a milk tester or cream tester, respectively.

14.(1) Subject to subregulation 2, no person shall select, grade, reject, weigh or sample, or supervise the selecting, grading, rejecting, weighing, or sampling of milk or cream received in a plant who is not a milk grader or cream grader, respectively.

(2) an apprentice milk grader or apprentice cream grader may select, grade, reject, weigh, or sample milk or cream, respectively, while personally supervised by a milk grader or cream grader, respectively.

15.(1) An application for a milk tester's certificate, cream tester's certificate, milk grader's certificate, or cream grader's certificate shall be in form 5.

(2) An application for an apprentice milk tester's certificate, apprentice cream tester's certificate, apprentice milk grader's certificate, or apprentice cream grader's certificate shall be in form 6.

16.(1) A milk tester's certificate shall be in form 7.

(2) A cream tester's certificate shall be in form 8.

(3) A milk grader's certificate shall be in form 9.

(4) A cream grader's certificate shall be in form 10.

(5) An apprentice milk tester's certificate, apprentice cream tester's certificate, apprentice milk grader's certificate or apprentice cream grader's certificate shall be in form 11.

17.(1) An applicant for a milk tester's certificate or a cream tester's certificate shall be examined by examiners appointed by the Board

- (a) on his ability to sample and test milk and cream, and
- (b) on his knowledge of
  - (i) handling, sampling and testing for milk-fat content of milk and cream,
  - (ii) the principles of grading milk and cream,
  - (iii) the sanitary requirements for plants
 and the provisions of the Act and the regulations pertaining thereto.

(2) An applicant for a milk grader's certificate or a cream grader's certificate shall be examined by examiners appointed by the Board

- (a) on his knowledge of
  - (i) handling, sampling, grading, rejecting and weighing milk and cream,
  - (ii) the principles of testing milk and cream for milk-fat content,
  - (iii) tests for accurately determining the amount of sediment, bacteria and acid in milk or cream, and
  - (iv) the sanitary requirements for plants, and the provisions of the Act and regulations pertaining thereto.

18.(1) Where an applicant is found by the examiners to be competent to perform the duties which the certificate he applies for qualifies him to perform, the Board shall issue him a certificate in the form applied for.

(2) The holder of a milk tester's licence, cream tester's licence, milk grader's licence or cream grader's licence under Ontario Regulations 233/44 shall be issued a milk tester's certificate, cream tester's certificate, milk grader's certificate or cream grader's certificate, respectively, upon application therefor before the 1st of April, 1957.

19. An apprentice milk tester's certificate, an apprentice cream tester's certificate, an apprentice milk grader's certificate or an apprentice cream grader's certificate shall be issued to the applicant therefor.

20. The Board may require a milk or cream tester or a milk or cream grader to be re-examined at any time the Board deems necessary.

21. A certificate issued under regulation 18 is issued on the terms and conditions that the holder of the certificate

- (a) submits to re-examination from time to time as the Board deems necessary,
- (b) conforms to the requirements of the Act and regulations pertaining to his duties,

- (c) where he is employed in one plant, conspicuously displays the certificate in the room in the plant in which he is usually employed,
- (d) where he is employed in more than one plant, has the certificate available for production on request, and
- (e) does not cease for a period of 5 years to perform the duties which the certificate qualifies him to perform.

22. The Board may, after a hearing, suspend or revoke a certificate issued under regulation 18,

- (a) for any breach of the terms and conditions upon which the certificate was issued, or
- (b) when the holder of the certificate is found on re-examination to be not competent to perform the duties which the certificate qualifies him to perform.

#### BUTTERMAKER'S CERTIFICATES

23.(1) The holder of a first class buttermaker's certificate is classified as a first class buttermaker.

(2) The holder of a second class buttermaker's certificate is classified as a second class buttermaker.

(3) The holder of a temporary buttermaker's certificate is classified as a temporary buttermaker.

(4) The holder of a beginner buttermaker's certificate is classified as a beginner buttermaker.

24. The holder of

- (a) a First Class Certificate for Buttermakers,
- (b) a Second Class Certificate for Buttermakers,
- (c) a Temporary Permit for Buttermakers, or
- (d) a Beginner's Permit for Buttermakers

under Ontario Regulations 233/44 is deemed to be the holder under these regulations of

- (e) a first class buttermaker's certificate,
- (f) a second class buttermaker's certificate,
- (g) a temporary buttermaker's certificate, or
- (h) a beginner buttermaker's certificate

respectively, expiring with the 31st of March, 1957.

25.(1) An application for a buttermaker's certificate shall be in form 12.

(2) A first class buttermaker's certificate shall be in form 13.

(3) A second class buttermaker's certificate shall be in form 14.

(4) A temporary buttermaker's certificate shall be in form 15.

(5) A beginner buttermaker's certificate shall be in form 16.

26. A buttermaker's certificate shall not be issued unless the person to whom it is issued

- (a) (i) is the holder of a diploma from Kemptville Dairy School, Ontario Agricultural College Dairy School or other agricultural educational institution which in

the opinion of the Board had equivalent courses of study and practical training in respect of the making of butter, or

- (ii) was the holder of a buttermaker's certificate or permit under Ontario Regulations 233/44 other than a Special Permit for Buttermakers, or under these regulations, within 5 years before the date of his application for the certificate, and

(b) is a cream tester and cream grader.

27. Upon application therefor a first class buttermaker's certificate shall be issued to a person who qualifies under regulation 26 and who

- (a) was a buttermaker in charge of the butter-making in a creamery for at least 3 months in the year ending with the 31st of March preceding the period for which the certificate is issued, and
- (b) made First Grade butter from at least 95 per cent of the cream graded Special and First Grade made into butter in the creamery during the time that he was in charge of the buttermaking.

28. Upon application therefor a second class buttermaker's certificate shall be issued to a person who qualifies under regulation 26 and who

- (a) was a buttermaker in charge of the butter-making in a creamery for at least 3 months in the year ending with the 31st of March preceding the period for which the certificate is issued, and
- (b) made First Grade butter from at least 90 per cent of the cream graded Special and First Grade made into butter in the creamery during the time that he was in charge of the buttermaking.

29. Upon application therefor a temporary buttermaker's certificate shall be issued to a person who qualifies under regulation 26 and who did not qualify for a first class or second class buttermaker's certificate under Ontario Regulations 233/44, or under these regulations, within 5 years before the date of the application.

30. Notwithstanding regulations 26, 27, 28 and 29, a buttermaker who did not hold a buttermaker's certificate in the year immediately preceding the date of his application but did hold a buttermaker's permit or certificate under Ontario Regulations 233/44, or under these regulations, within 5 years before the date of his application may be issued a buttermaker's certificate of the same class he last held.

31.(1) A first class buttermaker's certificate, a second class buttermaker's certificate and a beginner buttermaker's certificate are valid from the date of issue to the 31st of March next following.

(2) A temporary buttermaker's certificate is valid for the period of time stated thereon.

32. Notwithstanding regulation 26, upon application therefor a beginner buttermaker's certificate shall be issued to a person who

- (a) (i) is the holder of a diploma described in sub-clause i of clause a of regulation 26, or
- (ii) has been the holder of a buttermaker's permit or certificate under Ontario Regulations 233/44 other than a Special Permit for Buttermakers or under these regulations, and

- (b) was employed in a creamery for at least 3 months in the 2-year period preceding the date of his application,
- (c) is a cream tester and cream grader, and
- (d) is recommended in writing for the certificate by a first class buttermaker.

33.(1) A buttermaker's certificate is issued on the terms and conditions that the holder of the certificate

- (a) conforms to the requirements of the Act and regulations pertaining to his duties, and
- (b) conspicuously displays the certificate in the room in the plant in which he is usually employed.

(2) The Board may, after a hearing, suspend or revoke a buttermaker's certificate for any breach of the terms and conditions upon which it is issued.

#### CHEESEMAKERS

34.(1) The holder of a variety cheesemaker's certificate is classified as a variety cheesemaker.

(2) The holder of a first class cheesemaker's certificate is classified as a first class cheesemaker.

(3) The holder of a second class cheesemaker's certificate is classified as a second class cheesemaker.

(4) The holder of a temporary cheesemaker's certificate is classified as a temporary cheesemaker.

(5) The holder of a beginner cheesemaker's certificate is classified as a beginner cheesemaker.

35. The holder of

- (a) a First Class Cheesemaker's Certificate,
- (b) a Second Class Cheesemaker's Certificate,
- (c) a Temporary Permit for Cheesemakers, or
- (d) a Beginner's Permit for Cheesemakers,

under Ontario Regulations 233/44 is deemed to be the holder under these regulations of

- (e) a first class cheesemaker's certificate
- (f) a second class cheesemaker's certificate,
- (g) a temporary cheesemaker's certificate, or
- (h) a beginner cheesemaker's certificate

respectively, expiring with the 31st of March, 1957.

36.(1) An application for a cheesemaker's certificate shall be in form 17.

(2) A variety cheesemaker's certificate shall be in form 18.

(3) A first class cheesemaker's certificate shall be in form 19.

(4) A second class cheesemaker's certificate shall be in form 20.

(5) A temporary cheesemaker's certificate shall be in form 21.

(6) A beginner cheesemaker's certificate shall be in form 22.

37. A cheesemaker's certificate shall not be issued unless the person to whom it is issued

- (a) (i) is the holder of a diploma from Kemptville Dairy School, Ontario Agricultural College Dairy School, or other agricultural educational institution which in the opinion of the Board has equivalent courses of study and practical training in respect of the making of cheese, or

- (ii) was the holder of a cheesemaker's certificate or permit under Ontario Regulations 233/44, other than a Special Permit for Cheesemakers, or under these regulations, within 5 years before the date of his application for the certificate, and

- (b) is a milk tester and milk grader.

38. Upon application therefor a variety cheesemaker's certificate shall be issued to a person who qualifies under regulation 37, and who

- (a) was a cheesemaker for the period of at least 3 months in the year ending with the 31st of March preceding the period for which the certificate is issued, and

- (b) was in charge of the making of cheese other than cheddar cheese in a cheese factory for that year.

39. Upon application therefor a first class cheesemaker's certificate shall be issued to a person who qualifies under regulation 37 and who

- (a) was a cheesemaker in charge of the cheesemaking in a cheese factory for at least 3 months in the year ending with the 31st of March preceding the period for which the certificate is issued, and

- (b) made First Grade cheese from at least 95 per cent of the milk made into cheese in the cheese factory during the time he was in charge of the cheesemaking.

40. Upon application therefor a second class cheesemaker's certificate shall be issued to a person who qualifies under regulation 37 and who

- (a) was a cheesemaker in charge of the cheesemaking in a cheese factory for at least 3 months in the year ending with the 31st of March preceding the period for which the certificate is issued, and

- (b) made First Grade cheese from at least 90 per cent of the milk made into cheese in the cheese factory during the time he was in charge of the cheesemaking.

41. Upon application therefor a temporary cheesemaker's certificate shall be issued to a person who qualifies under regulation 37 and who does not qualify for a first class or second class cheesemaker's certificate and who was the holder of a cheesemaker's permit or certificate under Ontario Regulations 233/44, or under these regulations, within 5 years before the date of the application.

42. Notwithstanding regulations 37, 38, 39, 40 and 41, a cheesemaker who did not hold a cheesemaker's certificate in the year immediately preceding the date of his application but did hold a cheesemaker's permit or certificate under Ontario Regulations 233/44, or under these regulations, within 5 years before the date of his application may be issued a cheesemaker's certificate of the same class he last held.

43. A variety cheesemaker's certificate, a first class cheesemaker's certificate, a second class cheesemaker's certificate and a beginner cheesemaker's certificate are valid from the date of issue to the 31st of March next following.

44. Notwithstanding regulation 37, upon application therefor a beginner cheesemaker's certificate shall be issued to a person who

- (a) (i) is the holder of a diploma described in sub-clause i of clause a of regulation 37, or
- (ii) has been the holder of a cheesemaker's permit or certificate under Ontario Regulations 233/44, other than a Special Permit for Cheesemakers, or under these regulations, and
- (b) was employed in a cheese factory for at least 3 months in the 2-year period immediately before the date of his application,
- (c) is a milk tester and milk grader, and
- (d) is recommended in writing for the certificate by a first class cheesemaker.

45.(1) A cheesemaker's certificate is issued on the terms and conditions that the holder of the certificate

- (a) conforms to the requirements of the Act and regulations pertaining to his duties, and
- (b) conspicuously displays the certificate in the room in the plant in which he is usually employed.

(2) The Board may, after a hearing, suspend or revoke a cheesemaker's certificate for any breach of the terms and conditions upon which the certificate is issued.

#### SELECTING AND REJECTING OF MILK

46. Milk rejected at a plant shall be known as "rejected milk".

47. The milk grader at a plant shall select or reject milk delivered by each producer immediately after the lid of the container is removed and before any of the milk of the producer is removed from the container other than for testing purposes.

48. The milk grader at a plant shall reject milk delivered by a producer which

- (a) is not sweet, or
- (b) has an objectionable flavour or odour, or
- (c) shows evidence of being watery, flaky, stringy, bloody, thick or adulterated or insanitary.

49. The milk grader at a plant shall reject milk delivered by a producer in a container which is not

- (a) metal, or
- (b) in good condition, or
- (c) free from rust, open seams and other defects, or
- (d) covered by a secure lid.

#### TESTING FOR SEDIMENT CONTENT OF MILK

50.(1) The grades for milk when tested for sediment content of the milk are

- (a) grade A, consisting of milk that contains not more than 0.25 milligrams of sediment to 16 ounces of milk,
- (b) grade B, consisting of milk that contains not more than 1.5 milligrams of sediment to 16 ounces of milk,

(c) grade C, consisting of milk that contains not more than 2.5 milligrams of sediment to 16 ounces of milk, and

(d) grade D, consisting of milk that contains more than 2.5 milligrams of sediment to 16 ounces of milk.

(2) Tests made for sediment content of milk shall be known as "sediment tests".

51.(1) An operator of a plant shall provide the following equipment for making sediment tests:

- (a) at least one sediment tester having a capacity of 16 ounces of milk,
- (b) an additional head for each sediment tester,
- (c) two holders of clamp type,
- (d) a quantity of lintine cotton discs, having a diameter of  $1\frac{1}{4}$  inch, and
- (e) charts of sediment standards.

(2) The milk grader at a plant shall maintain equipment for making sediment tests in good repair and shall from time to time examine the equipment to ensure that when a sediment tester is used the sample of milk drawn for each test is at least 16 ounces.

(3) The milk tester shall, for purposes of testing, draw each sample of milk by a sediment tester from the bottom of the container of milk so that the head of the sediment tester passes diametrically across the bottom of the container as the sample of milk is drawn into the sediment tester.

52.(1) A milk grader shall make at least one sediment test of milk delivered to a plant by a producer in each half-month period.

(2) When a sediment test is made, the test shall be made of the milk in at least one container received from the producer and selected at random, before any of the milk received from the producer on that day is removed from its containers.

(3) The milk grader shall make the sediment test of the milk immediately after the lid of the container is first removed and before any of the milk is removed from the container.

(4) Where a sediment test is made of the milk in one container delivered by a producer and the sediment test shows that the milk is grade C or grade D, the grader shall

- (a) make a sediment test of the milk in every container of milk received from the producer on the day of the test,
- (b) make a sediment test of every container of milk subsequently delivered by that producer until all of the milk received from that producer on a subsequent day complies with the standards of at least grade B or all of the milk delivered by that producer is rejected under regulation 53,
- (c) where he finds by a sediment test that any milk is grade D, reject the milk, and
- (d) where he finds by a sediment test that any milk is grade C,
  - (i) where the container is owned by the producer, attach to the container a warning tag on which is recorded the particulars of the delivery and the grade and return the container promptly to the producer, or

- (ii) send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the grade.

53.(1) Where a milk grader finds by sediment tests that milk delivered to a plant by a producer fails to comply with at least grade B on more than 6 days in any 15-day period he shall reject all milk from that producer for the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade B.

(2) Where a milk grader rejects milk under sub-regulation 1, the milk grader shall send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the cause of the rejection and return to the producer at his expense any milk delivered thereafter during the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade B.

54. Where a milk grader rejects milk he shall

- (a) attach to the container in which the milk was delivered a rejection tag bearing the words "rejected milk",
- (b) state on the rejection tag the cause for the rejection,
- (c) add to the milk a harmless food colouring, and
- (d) return the milk in the container in which it was delivered to the producer as soon as practicable.

55. A producer shall not sell, offer for sale, transport or deliver the rejected milk for use as food, or in the preparation of food, for human consumption.

#### TESTING FOR BACTERIAL ACTIVITY IN MILK

56.(1) The milk grader at a plant shall make at least one test for bacterial activity in milk delivered to the plant by a producer in each 30-day period.

(2) The test for bacterial activity in milk shall be

- (a) a Methylene Blue reduction test, or
- (b) a Resazurin reduction test.

57.(1) The operator of a plant shall provide equipment for making

- (a) Methylene Blue reduction tests, or
- (b) Resazurin reduction tests.

(2) The operator of a plant shall provide the following equipment for making tests for bacterial activity:

- (a) one pipette or dipper having a capacity of 10 millilitres,
- (b) one pipette or burette having a capacity of 1 millilitre,
- (c) culture tubes,
- (d) culture-tube racks,
- (e) culture-tube closures,
- (f) a water bath with a cover capable of excluding light, and with a means of heating that is thermostatically controlled so that the contents of culture tubes in the bath are heated to at least 96 degrees Fahrenheit in a period of not more than 10 minutes and then maintained at a temperature between 96 and 99 degrees Fahrenheit during the test period,

(g) where a Methylene Blue reduction test is performed, a quantity of methylene blue thiocyanate tablets each containing 8.8 milligrams of dye,

(h) where a Resazurin reduction test is performed, a quantity of resazurin tablets, each containing 11 milligrams of dye,

(i) a quantity of distilled water,

(j) one thermometer,

(k) one china-marking pencil,

(l) one graduate cylinder of such capacity as required for holding and measuring quantities of 50 millilitres and 200 millilitres of liquids,

(m) one glass bottle of amber or other colour having low actinic properties, of 500 millilitre capacity, and suitable for holding a solution of Methylene Blue thiocyanate, and

(n) one container for holding hot water for the sterilization of pipettes, dippers and burettes during milk-sampling operations.

(3) For purposes of making a Methylene Blue reduction test, or a Resazurin reduction test, a milk grader shall prepare a blue dye solution, or a resazurin dye solution, as the case may be.

58. Where milk is tested for bacterial activity by a Methylene Blue reduction test and the sample of milk for purposes of test is added to the blue dye solution, the grades for milk are

- (a) grade 1, for milk of which the sample is not discolored within a period of  $3\frac{1}{2}$  hours,
- (b) grade 2, for milk of which the sample is not discolored within a period of  $2\frac{1}{2}$  hours but is discolored within a period of  $3\frac{1}{2}$  hours,
- (c) grade 3, for milk of which the sample is not discolored within a period of 30 minutes but is discolored within a period of  $2\frac{1}{2}$  hours, and
- (d) grade 4, for milk of which the sample is discolored within a period of 30 minutes.

59. Where milk is tested for bacterial activity by a Resazurin reduction test and the sample of milk for purposes of test is added to the resazurin dye solution, the grades for milk are

- (a) grade 1, for milk of which the sample does not change in colour from blue grey to more than purplish blue in a period of 3 hours,
- (b) grade 2, for milk of which the sample changes in colour from blue grey to not more than purplish blue in a period of 2 hours, but to more than purplish blue in a period of 3 hours,
- (c) grade 3, for milk of which the sample changes in colour from blue grey to not more than purplish blue in a period of 1 hour, but to more than purplish blue in a period of 2 hours, and
- (d) grade 4, for milk of which the sample changes in colour from blue grey to more than purplish blue in a period of 1 hour.

60. Where a milk grader finds by a Methylene Blue reduction test or a Resazurin reduction test that the milk delivered by a producer is grade 3 or grade 4 he shall make a Methylene Blue reduction test, or a Resazurin reduction test, of the milk of that producer at least once each week until he finds that the milk is at least grade 2 or the milk is rejected under regulation 61.

61.(1) Where a milk grader finds by a Methylene Blue reduction test or a Resazurin reduction test that the milk delivered by a producer failed to comply with at least grade 2 on more than 3 tests in any 30-day period he shall reject all milk from that producer for the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade 2.

(2) Where a milk grader finds by a bacterial activity test that the milk is grade 3 or grade 4 he shall notify, within 24 hours, the producer of the results of the test.

(3) Where a milk grader rejects milk under sub-regulation 1, the milk grader shall send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the cause for the rejection and return to the producer at his expense any milk delivered thereafter during the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade 2.

62.(1) A producer whose milk or cream is rejected at a plant and who delivers milk to another plant within 15 days of the rejection shall notify the operator of the plant of the rejection and the cause for the rejection given on the rejection tag or in a notice to the producer.

(2) The operator of a plant shall reject milk delivered by a producer whose milk or cream was rejected at a plant within the preceding period of 15 days unless the milk is tested by sediment test and found to be at least grade B, and by Methylene Blue reduction test or Resazurin reduction test and found to be at least grade 2.

63. A milk grader shall test milk for sediment content and bacterial activity, delivered by a producer

- (a) who has not delivered milk to the plant during the 15-day period preceding the date of delivery, and
- (b) whose milk or cream has been rejected by a plant during the 15-day period preceding the date of delivery.

#### EQUIPMENT FOR SAMPLING AND TESTING MILK

64. An operator of a plant shall provide

- (a) containers of at least 8-ounce capacity with close-fitting tops or stoppers to hold composite samples of milk of producers delivering milk to the plant,
- (b) equipment for obtaining a sample of milk from the milk received from a producer, and
- (c) a tank of sufficient size to be a tempering bath for samples of milk in the making of a test for milk-fat content of the milk.

65. The operator of a plant shall provide the following equipment for making Babcock-tests of milk:

- (a) Babcock-test bottles and pipettes,
- (b) one acid measure for measuring sulphuric acid and pouring it into Babcock-test bottles,
- (c) a quantity of sulphuric acid having a specific gravity of not less than 1.82 or more than 1.83 at a temperature of 68 degrees Fahrenheit,
- (d) a centrifuge which is
  - (i) in sound mechanical operating condition,

(ii) capable of being operated at speeds required for tests without appreciable vibration,

(iii) equipped with a speed indicator or other means of readily determining the speed, and

(iv) properly mounted.

(e) a means of heating the centrifuge to a temperature of at least 130 degrees Fahrenheit and maintaining the temperature at not less than 130 degrees during the period of the test,

(f) a set of calipers in sound mechanical operating condition, and

(g) a water bath with a means of heating the water to a temperature of at least 130 degrees Fahrenheit and maintaining the temperature at not less than 130 degrees or more than 140 degrees Fahrenheit during the period of the test and a thermometer capable of measuring readily the temperature of the water.

#### WEIGHING OF MILK AND SAMPLING OF MILK FOR BABCOCK-TEST

66.(1) After milk delivered by a producer to a plant is graded, the milk grader shall

(a) weigh the milk and record the weight to the nearest pound, and

(b) take a sample of at least 10 millilitres of the milk from

(i) each container after the milk is thoroughly mixed in the container, or

(ii) each quantity of milk weighed in one weighing thereof after it is thoroughly mixed in the weighing-tank.

(2) The milk grader shall make a composite sample of milk received from one producer by putting each sample of milk received from the producer in a period of not more than 16 days into one container.

(3) Where a sample of milk is added to a composite sample the milk grader shall mix the sample with the composite sample.

(4) The milk grader shall add to each composite sample of milk such amounts of mercuric chloride, or other preservative equivalent for the purpose, as may be necessary to preserve the composite sample.

(5) A milk grader shall maintain each composite sample of the milk he is grading at a temperature of not lower than 40 degrees or higher than 60 degrees Fahrenheit until the composite sample is tested for milk-fat content.

(6) No person shall put into a sample of milk

(a) subject to subregulation 4, any foreign substance, or

(b) any milk other than other samples of milk from the same producer in accordance with this regulation.

67.(1) A milk tester shall, at the plant where the milk was accepted, test each composite sample of the milk for milk-fat content within 5 days after the last sample was added to the composite sample.

(2) The milk tester shall make each test for milk-fat content of milk by the Babcock-test.

(3) The milk tester shall maintain every composite sample of milk which he tests for milk-fat content at a temperature not lower than 40 degrees or higher than 60 degrees Fahrenheit for a period of at least 12 days after the test.

68. The milk-fat content of a composite sample is deemed to be the milk-fat content of the milk from which the samples were taken.

#### GRADES FOR CREAM

69. The grades for cream are

- (a) Special Grade, consisting of cream that
  - (i) is clean,
  - (ii) is without taint in flavour,
  - (iii) contains no foreign substance,
  - (iv) is not curdy or lumpy,
  - (v) is capable of being stirred to a uniform consistency,
  - (vi) at the time of grading has a content of lactic acid not exceeding 0.25 per cent of the cream,
  - (vii) has a milk-fat content of at least 30 per cent of the cream;
- (b) First Grade, consisting of cream that is not Special Grade, and that
  - (i) is not curdy or lumpy,
  - (ii) is capable of being stirred to a uniform consistency,
  - (iii) contains no foreign substance,
  - (iv) at the time of grading has a content of lactic acid not exceeding 0.60 per cent of the cream,
  - (v) has no flavour rendering it unfit for the making of First Grade butter; and
- (c) Second Grade, consisting of cream that is not Special Grade or First Grade, and that
  - (i) has no odour or flavour of gasoline, oil, leaks, or any other odour or flavour that renders the cream unfit for making at least Second Grade butter,
  - (ii) contains no insanitary or foreign substance, or
  - (iii) at the time of grading has a content of lactic acid not exceeding 0.80 per cent of the cream.

70. Cream rejected at a plant shall be known as "rejected cream".

71. The operator of a plant shall reject cream delivered to a plant

- (a) that is not Special Grade, First Grade or Second Grade,
- (b) by a producer whose milk or cream has been rejected at a plant within a period of 15 days preceding the delivery, unless the cream is at least First Grade Cream, or
- (c) in a container which is not

- (i) metal,
- (ii) in good condition,
- (iii) free from leaks, rust, open seams and other defects, or
- (iv) covered by a secure lid.

72. A cream grader who rejects cream at a plant shall

- (a) attach to the container in which the cream was delivered a rejection tag bearing the words "rejected cream",
- (b) state on the rejection tag the cause for the rejection,
- (c) add to the cream a harmless food colouring, and
- (d) return the cream in the container in which it was delivered to the producer as soon as practicable.

73. A producer whose milk or cream is rejected at a plant and who within 15 days of the rejection delivers cream to any plant shall notify the operator of the rejection and the cause for the rejection given on the rejection tag.

74. No person shall buy, sell, offer for sale, or ship or transport rejected cream as food, or in the preparation of food, for human consumption.

#### GRADING

75. No person shall remove cream delivered to a plant from its container, other than a cream grader for the purpose of grading, until the cream has been graded.

76. A cream grader shall

- (a) thoroughly mix, grade and weigh to the nearest pound, cream delivered to a plant, and
- (b) take a sample of at least three times the amount of cream the cream tester requires to perform a test for milk-fat content.

77.(1) A cream tester shall, at the plant where the cream is accepted,

- (a) test each sample of cream for milk-fat content within 42 hours after the delivery of the cream to the plant, and
- (b) maintain each sample of cream at a temperature not lower than 40 degrees or higher than 60 degrees Fahrenheit until 2 p.m. on the day next following the date on which the test is made, but where the date on which the test is made is a Saturday he shall maintain the sample until 2 p.m. on the Monday next following.

(2) An inspector may require a cream tester to maintain samples of cream for such period of time longer than the time prescribed in subregulation 1 as he considers necessary for the purpose of a further test.

(3) The cream tester shall make each test for milk-fat content of cream by the Babcock-test.

#### EQUIPMENT FOR SAMPLING AND TESTING CREAM

78. The operator of a plant shall provide,

(a) in addition to the equipment named in clauses a to g, both inclusive, of regulation 65, the following equipment for making Babcock-tests of cream:

(i) cream-weighing scales and 9-gram and 18-gram weights, and

(ii) a quantity of glymol or mineral oil having a specific gravity of 0.85 at a temperature of 68 degrees Fahrenheit,

(b) containers of at least 2-ounce capacity with close-fitting tops or stoppers to hold samples of cream of all producers delivering cream to the plant,

(c) equipment for obtaining a sample of cream from each container of the cream received from a producer, and

(d) a tank of sufficient size to be a tempering bath for samples of cream in preparation for a test for milk-fat content of the cream.

#### PROHIBITION

79. No person shall mix Second Grade cream received at a plant for manufacture into butter with Special Grade or First Grade cream.

80. No person shall put any foreign substance into a sample of cream, and no person other than the cream grader or cream tester shall add cream to a sample of cream.

#### PAYMENT FOR CREAM

81. The differential in payment for cream for manufacture into a milk product shall be

(a) at least 1 cent more for Special Grade than for First Grade, and

(b) at least 5 cents more for First Grade than for Second Grade cream

for each pound of milk-fat content.

82. Where a producer delivers cream to a plant and the operator of the plant declines to accept delivery, the operator shall record the date of the refusal and where graded, the grade given to the cream.

#### LABELLING SAMPLES

83.(1) A container in which a sample of milk or cream is placed shall be plainly labelled or marked with the name of, or a number to identify, the producer who delivered the milk or cream to the plant.

(2) No person shall put a sample of milk or cream

(a) in a container that is not labelled, or

(b) in a container other than one bearing the label for the producer who delivered the milk or cream to the plant.

#### RE-TESTING

84.(1) An inspector may test, or require a milk tester or cream tester at a plant to test in his presence any sample of milk or cream that has been tested for milk-fat content.

(2) Where an inspector finds that a test for milk-fat content made by a milk tester or cream tester is in error he shall report the particulars of the error in writing to the operator of the plant.

(3) Payment for milk or cream shall be made on the basis of the results of the re-test reported by the inspector.

85. Upon the request of a producer or his representative the operator of a plant shall

(a) furnish to the producer a statement of the milk-fat content of the producer's milk or cream delivered to the plant before the samples are destroyed, and

(b) re-test the milk or cream in the presence of the producer or person representing him,

#### CONTAINERS

86.(1) No person shall transport milk or cream for manufacture into a milk product except in a container

(a) that is marked, branded, or labelled to identify

(i) the owner of the container, and

(ii) the owner of the contents, and

(b) in the case of cream, that shows the net weight to the nearest half-pound of the container without its lid,

(c) that is free from rust, open seams and other mechanical defects, and

(d) that is used for no other purpose.

(2) No person shall remove or conceal any mark, brand or label on a container, other than the owner thereof.

(3) No person shall use a container for transporting milk or cream for manufacture into a milk product except

(a) the owner of the container, and

(b) a producer to whom the container was supplied for transporting milk or cream to the plant of the owner of the container.

(4) Where the owner of a plant supplies a container to a producer for the purpose of transporting milk or cream to the plant, the producer shall

(a) not transport milk or cream in the container to any place except the plant, and

(b) when the container is no longer required to transport milk or cream, return promptly the container in good condition to the plant.

(5) Where milk or cream is transported in containers owned by the producer to a plant, the operator of the plant shall return promptly the containers in good condition to the producer.

#### TRANSPORTATION OF MILK AND MILK PRODUCTS FOR MANUFACTURE INTO MILK PRODUCTS

87.(1) No person shall transport milk or cream to a plant in a vehicle

(a) which is in an insanitary condition, or

(b) which has been used for a purpose that may cause contamination of milk or cream, or containers thereof, subsequently transported in the vehicle.

(2) No vehicle that has not been used to transport milk of producers to a plant when these regulations come into force, and no other vehicle after the 1st of January, 1960, shall be used to transport milk from producers to a plant except a vehicle with a covered van body having rigid walls, and insulated roof and a solid floor, so that wind, dust and moisture cannot seriously affect the milk or containers thereof or permit extreme heat or freezing conditions within the shipping

space of the vehicle, but this subregulation does not apply to a vehicle owned by a producer and used to transport his own milk to a plant when the milk and containers thereof are protected from extreme heat and freezing conditions, dust and contamination.

(3) No person shall deck containers of milk or cream in a vehicle used to transport it to a plant without decking boards which are supported from the body of the vehicle and so located that clearance is provided for the containers in each deck.

(4) Where a vehicle is used to transport milk to a cheese factory the driver of the vehicle shall deliver the milk to the plant not later than 10 a.m. on the day of delivery from the 1st of May to the 31st of October.

(5) The driver of a vehicle used to transport milk or cream to a plant shall deliver the milk or cream as promptly as possible.

(6) The operator of a plant shall accept or refuse to accept milk or cream delivered to the plant within 2 hours of its arrival at the plant.

#### RECORDS KEPT AT PLANTS

88.(1) The operator of every plant shall keep a record of

- (a) all milk and cream received at the plant showing the date received and the name of the producer and his number, if any, used for identification of the producer,
- (b) the rejection of any milk or cream and the cause for the rejection,
- (c) the weights and grades of all milk and cream accepted at the plant for processing into milk products, and
- (d) the results of all tests made at the plant under these regulations.

(2) The operator of a plant shall compile a summary of the results of all

- (a) sediment tests,
- (b) Methylene Blue reduction tests, and
- (c) Resazurin reduction tests,

of all milk received from producers and showing the number of producers supplying milk in each class of test.

(3) When a milk grader, milk tester, cream grader or cream tester, as the case may be, weighs, grades or tests milk or cream he shall immediately make an accurate record of the weight, grade or test, as the case may be.

(4) The operator of a plant shall keep a record of the full name and address of each producer who ships milk or cream to the plant.

(5) The operator of a plant shall keep all records of weights, grades and tests of milk and cream made at his plant for at least 1 year.

#### STATEMENTS TO PRODUCERS

89.(1) Where milk of a producer is delivered to a plant and accepted by the plant the operator thereof shall furnish to the producer a statement for each payment period showing

- (a) the name and address of the plant, and
- (b) the name of and the plant number, if any, to identify the producer, and

- (c) the weight of the milk of each delivery, and
- (d) the total weight of milk delivered in each period covered by a Babcock-test, and
- (e) the milk-fat content of the milk in each period covered by a Babcock-test, and
- (f) the price paid for each one hundred pounds of milk having a milk-fat content of 3.5 per cent, and the amount of the differential in price for each variation of one-tenth of 1 per cent in the milk-fat content of the milk from the milk-fat content mentioned in clause e, or
- (g) the total number of pounds of milk-fat in the milk delivered by the producer and the price paid for each pound of milk-fat, in the payment period, and
- (h) the total price of the milk, and
- (i) amounts deducted from the price of the milk for haulage charges, licence fees or other purpose, and the purpose for which each amount is deducted, and
- (j) the net price payable to the producer, and
- (k) the grades of the milk.

(2) In the statement under subregulation 1 the grades of the milk shall be shown by means of the following notations:

- (a) where the sediment test classification was grade A, B or C, by the capital letter A, B, or C, as the case may be, and
- (b) where the bacterial activity as determined by the Methylene Blue reduction test or the Resazurin reduction test was grade 1, 2, 3 or 4, by the figures 1, 2, 3 or 4, as the case may be.

90.(1) Where cream of a producer is delivered to a plant and accepted by the plant the operator shall furnish to the producer a statement for each payment period showing

- (a) the name and address of the plant,
- (b) the name of the producer,
- (c) the weight, grade and milk-fat content of the cream in each container of each delivery,
- (d) the date of each delivery,
- (e) the total number of pounds of milk-fat in each grade of the cream delivered by the producer,
- (f) the price paid for the cream of each grade,
- (g) the total price for the cream,
- (h) amounts deducted from the price of the cream for haulage charges, licence fees or other purpose, and the purpose for which each amount is deducted,
- (i) the net amount payable to the producer, and
- (j) in the case of Second Grade cream, the reason or reasons for the grade.

(2) In a statement under subregulation 1 the grades of the cream shall be shown by means of the following notations:

- (a) where the cream is Special Grade, by the letters SP,
- (b) where the cream is First Grade, by the figure 1, and
- (c) where the cream is Second Grade, by the figure 2.

91.(1) No person shall falsify any records or statements, or make any incorrect determination that may affect the price paid for milk or cream at a plant.

(2) Where any record or statement in respect of the price paid for milk or cream at a plant is changed, the person responsible for the change shall write in ink, or indelible lead, his initials at the place in the record or statement where the change was made.

#### PASTEURIZATION OF CREAM

92.(1) No person shall use cream in the manufacture of butter at a plant except cream pasteurized by heating the cream

- (a) to a temperature of at least 170 degrees Fahrenheit and maintaining that temperature for at least 10 minutes, or
- (b) in a continuous pasteurizer to a temperature of at least 185 degrees Fahrenheit,

and cooling the cream immediately thereafter to a temperature not higher than that suitable for churning of the cream.

(2) When an inspector tests butter to determine whether the cream used in its manufacture was pasteurized he shall make a storch test.

(3) Where a storch test is made of a sample of butter and the butter serum retains its colour for at least 30 seconds, the cream used in the manufacture of the butter is deemed to have been pasteurized.

#### PASTEURIZATION OF MILK AT A CHEESE FACTORY

93.(1) Where milk delivered to a cheese factory for the purpose of making cheese is pasteurized it shall be pasteurized by heating the milk

- (a) to a temperature of 143 degrees Fahrenheit and maintaining that temperature for 30 minutes, or
- (b) to a temperature of 161 degrees Fahrenheit and maintaining that temperature for 16 seconds,

and cooling the milk immediately thereafter to a temperature of not higher than 86 degrees Fahrenheit.

#### PASTEURIZATION OF SKIM-MILK AND WHEY

94.(1) No operator shall deliver skim-milk or whey to a producer of milk or cream except pasteurized skim-milk or whey.

(2) Skim-milk and whey shall be pasteurized by heating the skim-milk or whey to a temperature of 155 degrees Fahrenheit and maintaining that temperature for a period of 30 minutes.

#### PASTEURIZATION OF ICE CREAM MIX

95.(1) No person shall sell or offer for sale ice cream mix, or use ice cream mix in the processing of ice cream, except pasteurized ice cream mix.

(2) Ice cream mix shall be pasteurized by heating the ice cream mix

- (a) to a temperature of 155 degrees Fahrenheit and maintaining that temperature for 30 minutes, or
- (b) to a temperature of 175 degrees Fahrenheit and maintaining that temperature for 16 seconds,

and cooling the ice cream mix immediately thereafter to a temperature not higher than 50 degrees Fahrenheit.

#### MILK IN STORAGE

96.(1) Where milk is accepted at a plant and is not used immediately in the processing of a milk product, the milk shall be cooled to a temperature not higher than 50 degrees Fahrenheit and maintained in storage at that temperature until it is used in the manufacture of a milk product.

(2) Milk in storage under subregulation 1 shall not be used in the processing of a milk product where the milk on removal from storage does not comply with the standards required for milk to be accepted at the plant when delivered to it.

#### CREAM IN STORAGE

97.(1) Where cream of Special Grade or First Grade is accepted at a plant for the making of butter and is not used immediately, the cream shall be cooled to a temperature not higher than 50 degrees Fahrenheit and maintained in proper storage at that temperature until it is so used.

(2) Where cream has been in storage under subregulation 1 and is removed from storage, and fails to comply with the standards of at least First Grade cream, it shall not be churned for the making of butter with Special Grade or First Grade cream.

#### PROHIBITION

98. No stale or rancid cream, or melted ice cream shall be used in the preparation of ice cream mix or the processing of ice cream.

#### REPORTS TO THE BOARD

99.(1) The operator of each plant shall make a report to the Board of the operation of the plant during each month of the year, before the 15th of the following month.

(2) The report of the operator of a cheese factory shall be in form 23.

(3) The report of the operator of a creamery shall be in form 24.

(4) The report of the operator of a processing plant or milk-receiving station shall be in form 25.

#### REVOCATION

100. Ontario Regulations 233/44, 242/50 and 35/54 are revoked.

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may

any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in

the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be

transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

**ON MATTERS OF STATE**

May it please your Honour

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture, dated the 15th day of November, 1956 wherein he states that:

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation by Resolution passed the 15th day of November, 1956, has authorized, subject to the approval of your Honour in Council, the sale of Debentures of the Corporation in the principal amount of \$11,000,000.00 bearing interest at the rate of  $4\frac{1}{2}\%$  per annum payable on the 1st day of October, 1976, subject to prior redemption, at the price of \$94.70 and accrued interest per \$100.00 in principal amount of the Debentures;

The Honourable the Minister of Agriculture therefore recommends that:

1. Pursuant to the provisions of The Junior Farmer Establishment Act, 1952, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof, the sale of the said Debentures of The Ontario Junior Farmer Establishment Loan Corporation in the principal amount of \$11,000,000.00 at the price of \$94.70 and accrued interest per \$100.00 in principal amount of the Debentures be approved.

2. The foregoing be made as a Regulation of your Honour in Council under the authority of the said Act.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

Respectfully submitted,

**THE JUNIOR FARMER ESTABLISHMENT ACT, 1952****O. Reg. 230/56.**

Temporary Loans and Guarantee.  
New.

Approved—15th November, 1956.

Filed—16th November, 1956.

Copy of an Order-in-Council approved by His Honour the Lieutenant-Governor, dated the 15th day of November, A.D. 1956.

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture dated November 14th 1956, wherein he states that,—

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") by virtue of Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956 was authorized to borrow by way of temporary loans from the Bank of Montreal during the twelve months beginning the 1st day of May, 1956, such sum or sums of money as it may require at a rate of interest not exceeding three and one-half per centum ( $3\frac{1}{2}\%$ ) per annum to the extent that the total indebtedness of the said Corporation to the said Bank shall not exceed in the aggregate the sum of Fourteen Million Dollars (\$14,000,000);

AND WHEREAS under the authority of said Order-in-Council the Treasurer of Ontario has guaranteed to the Bank of Montreal due payment of all moneys heretofore lent by the said Bank to the Corporation and that may be lent by the said Bank to the Corporation during the period of twelve months beginning on the 1st day of May, 1956, up to, but not exceeding the principal sum of Fourteen Million Dollars (\$14,000,000) at any one time, together with interest thereon or on so much thereof as shall from time to time remain unpaid at a rate not exceeding three and one-half per centum ( $3\frac{1}{2}\%$ ) per annum, provided, however, that the Guarantor may at any time terminate such guarantee upon notice directed to the office of the said Bank in Toronto, by telephone, telegraph, or registered post, except as to moneys lent thereunder prior to the giving of such notice;

AND WHEREAS under the authority aforesaid the Corporation has heretofore raised money by way of temporary loans from the said Bank amounting as of the 19th day of September, 1956 to the sum of Ten Million, Four Hundred and Thirteen Thousand, Eight Hundred and Fourteen Dollars and Sixty Cents (\$10,413,814.60);

AND WHEREAS the Corporation proposes to issue Debentures for the purpose of repaying in full the temporary loans of the Corporation from the said Bank and for the purpose of carrying out the object of the Corporation;

AND WHEREAS the Corporation by Resolution passed the 5th day of October, 1956 has provided that no further money shall be raised by way of temporary loan from the said Bank under the authority of any Resolution of the Corporation theretofore passed or under the authority of the above mentioned Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956.

The Honourable the Minister of Agriculture therefore recommends:

1. THAT no further money be raised by the Corporation by way of temporary loan from the Bank of Montreal under the authority of any Resolution

of the Corporation heretofore passed or under the authority of said Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956, and the authority for the raising of any further money thereunder be rescinded.

2. THAT, except as to moneys heretofore lent by the said Bank to the said Corporation by way of temporary loans under the authority aforesaid, the guarantee by the Province of Ontario of any further temporary loans authorized by said Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956 be terminated, and that notice of such termination be given by the Treasurer of Ontario by registered post to the office of the Bank of Montreal in the City of Toronto.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

Certified,

H. A. STEWART,  
Clerk, Executive Council.

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would

be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

## THE MILK INDUSTRY ACT, 1954

### O. Reg. 233/56.

Production, storage and transportation of milk—General Regulations.

New.

Made—13th November, 1956.

Approved—22nd November, 1956.

Filed—23rd November, 1956.

## REGULATIONS MADE BY THE MILK INDUSTRY COMMISSION OF ONTARIO UNDER THE MILK INDUSTRY ACT, 1954

### INTERPRETATION

1. In these regulations

(a) "distributor" has the same meaning as in Part II of *The Milk Industry Act, 1954*;

(b) "farm bulk tank" means a stationary storage tank used only for the holding and cooling of milk on the premises of a producer and includes fixtures thereto and equipment required for use of the tank;

(c) "milking-equipment" includes those parts of a milking machine and its pipe-lines, connections and appurtenances with which milk comes into contact when the milking machine is used;

(d) "plant" has the same meaning as in Part III of *The Milk Industry Act, 1954*;

(e) "tank-truck" means a motor vehicle having a tank used only for the purpose of hauling milk from farm bulk tanks to distributors or plants, or from one distributor or plant to another distributor or plant;

(f) "tank-truck operator" means the operator of a tank-truck; and

(g) "utensils" means containers and equipment used in the producing, handling and storing of milk, other than farm bulk tanks and milking-equipment, with which milk comes into contact, or is likely to come into contact, on the premises of a producer.

2. No producer shall sell or offer for sale milk for purposes of human consumption or processing that is not produced in accordance with these regulations.

### HEALTH OF COWS

3. (1) Every cow from which milk is obtained by a producer for sale for purposes of human consumption or processing shall be

(a) in good physical condition, and

(b) free from any condition or disease that adversely affects the quality or wholesomeness of the milk.

(2) No cow which is

(a) suffering from a condition, or

(b) infected with a disease,

that adversely affects the quality or wholesomeness of the milk shall be stabled so as to come into contact with cows from which milk is obtained for sale for purposes of human consumption or processing.

#### QUALITY OF MILK

4. (1) No producer shall sell or offer for sale milk for human consumption or processing that is obtained from a cow

- (a) in the period of 15 days before, or in the period of 5 days after, parturition, or
- (b) where medicine or an antibiotic has been injected into the udder, in the period of 3 full days from the time of the last injection.

(2) Where the milk obtained from a cow

- (a) is not sweet, or
- (b) has an objectionable flavour or odour, or
- (c) shows evidence of being watery, flaky, stringy, bloody, thick or adulterated or insanitary, or
- (d) shows evidence of coagulation of casein, or
- (e) contains melted fat, or
- (f) contains any foreign substance, including insects and vermin,

the producer shall not sell or offer for sale any of that milk for purposes of human consumption or processing.

5. (1) A producer shall not sell or offer for sale milk to a distributor or a plant which he has reason to believe the operator of a plant cannot accept under Ontario Regulations 214/56.

(2) A producer shall not sell or offer for sale to a distributor milk which he has reason to believe contains more than 200,000 bacteria in a millilitre of the milk.

(3) Where a producer has reason to believe that milk he produces fails to comply with the standards of at least grade 2 as determined by a Resazurin reduction test and so failed when tested in at least one test in 3 tests immediately before, he shall not sell or offer for sale any milk he produces to a distributor until the milk he produces complies with the standards for at least grade 1 as determined by a Resazurin reduction test.

(4) In this regulation "Resazurin reduction test" means the test mentioned in regulation 59 of Ontario Regulations 214/56.

6. (1) No person shall give to any milking cow any food other than clean, wholesome food.

(2) Where any food given to a cow at a time or in a manner that causes her milk

- (a) to give off an objectionable odour, or
- (b) to have a taste or appearance other than those of normal milk,

no person shall give that food at such time or in such manner to a cow from which milk is obtained by a producer for the purpose of human consumption or processing.

7. No person shall adulterate milk for sale for the purposes of human consumption or processing.

#### SANITARY CONDITIONS

8. (1) Cows shall be clean.

(2) When cows are in stables, the hair on

- (a) udders,
- (b) flanks, and
- (c) tails above the switch,

of the cows shall be kept short.

(3) No switch of a cow's tail shall be longer than will clear the floor by at least 4 inches when the cow is standing.

(4) Immediately before the time of each milking of a cow, the flanks and udder shall be wiped with a clean cloth moistened with a disinfecting solution.

9. (1) Every producer shall keep all buildings or premises where cows are stabled or milked

- (a) clean and in a sanitary condition,
- (b) free from flies and other insects,
- (c) free from dust, and
- (d) lighted and ventilated.

(2) Except in the case of glazed walls, all walls, ceilings, partitions and other parts of the stable shall be painted or whitewashed at least once each year.

10. No producer shall permit animals other than of the bovine genus in any part of a stable used for the stabling or milking of cows.

11. (1) Every producer shall keep all parts of the premises, except loafing-type stables, clean and free from accumulations of manure and refuse.

(2) Every producer keeping cows in loafing-type stables shall provide a plentiful supply of bedding in the stables, and keep the stables free from an accumulation of refuse.

12. (1) Every producer of milk for purposes of human consumption shall provide a milk house in a location which ensures good drainage and freedom from contamination.

(2) Every milk house shall be

- (a) kept clean at all times,
- (b) used only for
  - (i) cooling and storing of milk or cream,
  - (ii) storing of milking equipment and utensils, and
  - (iii) washing and disinfecting of milking equipment and utensils,
- (c) equipped with a screen to cover each opening, and
- (d) equipped with self-closing doors.

(3) No animals shall be permitted to enter a milk house.

13. (1) No person shall use milking-equipment or utensils that were not

- (a) immediately after each use
  - (i) rinsed with cold or lukewarm water, and
  - (ii) thoroughly cleaned to remove all dirt and milk deposits, and
- (b) immediately before each use

- (i) immersed in water having a temperature of at least 170 degrees Fahrenheit for at least 2 minutes, or

- (ii) rinsed with a disinfectant.

(2) Every producer shall provide and maintain in good condition and state of repair adequate milking-equipment and utensils for the producing, handling and storing of milk.

(3) A producer shall not use utensils which are not in good condition and state of repair.

(4) Every producer shall provide equipment and materials necessary to clean, rinse and disinfect milking-equipment and utensils.

(5) A producer shall not use milking-equipment or utensils for the production, handling, storage or transportation of milk that are made of materials which

- (a) adversely affect the flavour of milk which comes into contact with them, or
- (b) have rough surfaces, or surfaces not easily cleaned, or
- (c) have joints not flush with the surfaces, or
- (d) have open seams, cracks or exposed threads.

(6) No persons shall milk a cow unless he

- (a) has washed his hands clean immediately before the milking, and
- (b) keeps his hands clean and dry during the milking.

(7) No person shall milk a cow or handle utensils or milking-equipment that come into contact with milk except a person

- (a) in good health,
- (b) free from a communicable disease as defined in *The Public Health Act* and the regulations thereunder,
- (c) cleanly dressed, and
- (d) personally clean at each time of milking and of handling milk and utensils.

14. (1) All utensils shall at times they are not in use, be stored on clean racks in the milk house.

(2) Where a milking machine is used, all parts of the milking machine not permanently installed shall, at times they are not in use, be stored on clean racks in the milk house.

15. (1) Every producer shall provide in the milk house, facilities capable of cooling milk to a temperature below 40 degrees Fahrenheit.

(2) Every producer shall cool milk produced for purposes of human consumption or processing to a temperature below 50 degrees Fahrenheit as soon as possible after milking but within 2 hours of the time of milking.

(3) All milk cooled under subregulation 2 shall be kept at a temperature not lower than 33 degrees, or higher than 55 degrees, Fahrenheit until the milk is received at a plant or by a distributor.

16. (1) No person shall use a bulk farm tank for holding or cooling milk for sale for purposes of human consumption or processing except a bulk farm tank that complies with regulations 17 to 36, both inclusive.

(2) Regulations 21 to 36, both inclusive, apply to farm bulk tanks installed after these regulations come into force.

(3) Subregulation 2 expires with the 31st of December, 1966.

17. (1) Where a farm bulk tank is installed by a producer on his premises the farm bulk tank shall be located in a milk house.

(2) Every milk house in which a farm bulk tank is located shall

- (a) have a floor area of at least 168 square feet,
- (b) have at least 24 inches clear space between the tank and any wall of the milk house,
- (b) have at least 24 inches clear space between the tank and any wall of the milk house,
- (c) have clear space sufficient for washing, cleaning, rinsing and storing of utensils and milking-equipment,
- (d) have a floor with a smooth surface impermeable to liquids, having a slope of at least  $\frac{1}{8}$  inch to 1 foot to a drain,
- (e) have a floor capable of supporting without sagging or heaving the farm bulk tank and milking-equipment and utensils,
- (f) have the drain located in the floor of the milk house, having a diameter of at least 4 inches, capable of draining from the floor any liquids to a location outside the milk house in such manner that the outlet for the drain can be maintained in a sanitary condition,
- (g) have walls with smooth surfaces impermeable to liquids extending for at least 3 feet from the floor,
- (h) be properly ventilated,
- (i) be lighted for the efficient carrying out of all operations therein,
- (j) be provided with one opening, equipped with a self-closing device, used only for the passing of hose in the transfer of milk from the tank to the tank-truck,
- (k) be provided with at least one door and each door equipped with a self-closing device,
- (l) be provided with screens for all windows and other openings sufficient to prevent entry of insects,
- (m) be provided with a 2-compartment sink,
- (n) be provided with a pressure system for supply of cold, potable water, and
- (o) where a supply of hot water is not available to the milk house, be provided with a means of heating water.

(3) No farm bulk tank shall be located in a milk house less than 6 inches above the floor of the milk house, but in the case of a tank with a rounded bottom the lowest part of the tank may be not less than 4 inches above the floor.

18. (1) Each farm bulk tank installed in a milk house shall be equipped with

- (a) a refrigeration unit capable of

- (i) cooling milk that reaches the tank to a temperature of 50 degrees or lower within 1 hour, and 40 degrees or lower within 2 hours,
  - (ii) except in a period of 2 hours after milking, maintaining a temperature of milk in the tank not lower than 33 degrees, and not higher than 40 degrees, Fahrenheit while milk remains in the tank, and
  - (iii) regulating the temperature by an automatic control mechanism, to within 2 degrees Fahrenheit of a designated temperature,
- (b) an agitator capable of stirring milk in the tank, without splashing or churning, so that the milk is thoroughly mixed in 3 minutes' operation of the agitator,
- (c) a measuring device by which the weights of milk in the tank may be accurately determined, and
- (d) an indicating thermometer with scale divisions of at least  $\frac{1}{16}$  inch for each change of 2 degrees Fahrenheit within a range of temperature from 32 degrees to 120 degrees that measures accurately to within 2 degrees Fahrenheit the temperature of the milk in the tank, and located so as to register temperatures of the milk when the tank contains 20 per cent of its capacity.
- (2) The compressor parts of a refrigeration unit shall be enclosed by screening.
19. Each farm bulk tank shall be
- (a) installed and maintained in a level position,
  - (b) equipped with a means of
    - (i) adjusting the tank to a level position, and
    - (ii) determining whether the tank is in a level position, and
  - (c) anchored to the floor firmly enough to prevent such movement of the tank as is likely to affect the accuracy of the measuring device by which the quantity of milk in the tank is determined.
20. (1) Where a gauge rod is used as the measuring device to determine the weight of milk in a farm bulk tank, the gauge rod shall be plainly marked in inches and fractions thereof to at least 1/16 of each inch, beginning at the bottom of the rod.
- (2) Where a farm bulk tank is designed for use of a gauge rod, the tank shall be provided with a fixed point for the suspension of the gauge rod.
- (3) Each gauge rod shall be supported in the vertical position at which the tank has been calibrated.
- (4) No person shall use a measuring device in determining the weight of milk in a farm bulk tank except a measuring device that determines for milk of the weight in Column 1, a weight within a tolerance of weight set opposite thereto in column 2 of the Table as follows:

TABLE	
Column 1	Column 2
under 1500 pounds	3 pounds
1500 pounds to 3000 pounds	4 pounds
3000 pounds to 4500 pounds	5 pounds
4500 pounds to 6000 pounds	6 pounds
6000 pounds to 7500 pounds	7 pounds
7500 pounds to 9000 pounds	8 pounds

- (5) A producer shall maintain in good condition near the farm bulk tank in the milk house a chart showing the number of pounds of milk for each reading of the measuring device used to determine the weights of milk in the tank and showing the number of pounds for each graduation of the measuring device.
- (6) No person shall use a measuring device or a chart other than those having the same manufacturer's serial number as that of the farm bulk tank.

SANITARY STANDARDS FOR CONSTRUCTION  
AND INSTALLATION OF FARM BULK TANKS

21. (1) The inside lining, covers, bridges, doors, underside of insulated covers or bridges, agitators, tubing for compressed air agitation, inlet and outlet connections, measuring device and any other parts of a farm bulk tank coming into contact with milk or milk products shall be of 18-8 stainless steel with a carbon content of not more than .12 per cent and the surfaces of all such parts shall be at least as smooth as No. 4 mill finish, or 120 grit finish properly applied.
- (2) In subsection 1, "inside lining" means all surfaces with which milk comes into contact or which extend above the breast of the tank as a cooling surface and includes those surfaces which enclose the ends, sides and top of the tank instead of bridges or fixed covers.
- (3) Where welds are made to the inside lining, the metal used in the weld shall be as corrosion-resistant as stainless steel.
22. (1) A tank not provided with an integral cooling surface shall be so insulated as to prevent in 18 hours, a temperature rise greater than 3 degrees Fahrenheit in a tank full of water when the differential between the water and that of the atmosphere is 50 degrees Fahrenheit.
- (2) A tank provided with an integral cooling surface for direct expansion or refrigerated water shall be provided with an outer shell and an automatic temperature control system which will prevent a rise of more than 5 degrees Fahrenheit of the cooled milk, except when additional milk is added.
23. The portion of the outer shell which covers the outside of the insulation or heat-exchange jacket shall be of a continuous metal covering which is smooth, sanitary and effectively sealed.
24. Surfaces of every farm bulk tank that come into contact with milk, including surfaces of covers, doors, fittings and accessories thereof, shall be clearly visible, easily accessible and readily cleanable.

25. (1) Where welds are made to the inside lining or the breast of a tank, the welds shall be ground smooth and polished so that the finish is flush with the adjoining surface.

(2) Inside corners of the bottom, sides and ends of the inside lining of a tank and any attachments within the tank shall be rounded with radii of not less than  $\frac{1}{2}$  inch.

(3) The inside lining shall remain in a fixed position in relation to the outer shell or body of the tank, and shall be of such construction that it does not develop any sag, buckle or distortion under load or from any other condition of normal use as is likely to affect the accuracy of the measuring device by which the quantity of milk in the tank is determined.

(4) The inside lining shall be pitched to the outlet to effect complete drainage.

(5) All exterior seams of the outer shell shall be sealed against moisture and vermin.

(6) Unless of corrosion-resistant material, the entire outside surface shall be painted and shall be smooth.

(7) The breast, or that portion of the metal used to join the inside lining to the outer vertical wall, shall be integral with or welded to the inside lining, and shall be sloped or so arranged that all drainage will be toward the outer edge of the tank.

26. (1) Main covers and doors of a tank shall be of types which can be opened without removing, and shall be self-draining.

(2) Covers or doors shall have at least  $\frac{3}{8}$  inch raised flange on all edges, and shall fit as tightly to the tank as practicable.

(3) When covers or doors are open any liquid from the inner or outer surfaces of main covers and doors shall not drain into the milk compartment.

27. (1) Fixed covers located at ends or sides of the tank shall not extend more than 12 inches over the surface of the milk and shall have at least  $\frac{3}{8}$  inch raised flange.

(2) Fixed covers shall be so installed that the undersides thereof are visible from outside the tank.

(3) Bridges of a tank shall

(a) not exceed 24 inches in width,

(b) be pitched to the outside edge of the tank for complete drainage, and

(c) have at least  $\frac{3}{8}$  inch raised flange where the edges meet main covers.

(4) Bridges shall be so installed that the undersides thereof are visible from outside the tank.

28. (1) The edges of all openings in the covers or bridges of a tank shall be flanged upwards at least  $\frac{3}{8}$  inch.

(2) Openings not continuously in use shall be provided with removable covers.

(3) Main covers, when fitted for the use of strainers, shall have openings with a rim capable of supporting the strainer.

(4) Main covers for a tank with a capacity of not more than 150 gallons shall be provided with at least one strainer opening.

(5) Covers for a tank with a capacity of more than 150 gallons shall be provided with at least two strainer openings.

(6) A removable cover shall be provided for each strainer opening, which shall be self-draining to the outside edge of the cover, and shall have a downward flange of not less than  $\frac{1}{4}$  inch.

(7) Every cover shall be provided with a handle or knob, which shall be welded in place and weld-ground smooth.

(8) All openings into the tank shall be adequately protected against drip, dust, oil, insects or other things likely to contaminate the milk in the tank.

29. (1) Every tank shall have an outlet connection which is of sanitary construction and readily cleanable.

(2) The inside diameter of the outlet connection shall be at least that of  $1\frac{1}{2}$  inch sanitary pipe and shall be one of the following types:

(a) in the case of a horizontal outlet connection, that portion of the metal used to convey milk from the inside lining shall be in a generally horizontal position, with the lower surface of the connection at or below the level of the surface of the bottom of the inside lining and pitched for drainage, but in no case shall the lower surface of the connection be below the level of the surface of the outside bottom of the tank, nor shall the fittings extend more than 2 inches beyond the outer shell of the tank;

(b) in the case of an outlet connection at the top of the tank, the sanitary pipe shall have an outside diameter of not less than  $1\frac{1}{2}$  inches; and

(c) in the case of a vertical outlet connection, the vertical centre line of the outlet which extends through the bottom of the outer shell, shall be as close as practicable to an adjacent wall, and shall terminate with a  $90^\circ$  L that is integral with the outlet, and the horizontal centre line of the L shall be at least 4 inches above the floor of the milk house.

30. (1) Every valve provided in a tank shall be of sanitary construction and readily cleanable.

(2) Every outlet valve shall be of 18-8 gauge stainless steel or nickel alloy.

31. (1) Every tank shall be supported on adjustable legs of adequate size and spacing to support the weight of the tank when filled to capacity.

(2) The bases of the legs shall be sealed.

(3) The legs shall be capable of raising the tank high enough for attachment of fittings and draining of the tank.

(4) The outside of the leg sockets shall be of corrosion-resistant material or painted and be readily cleanable.

32. The agitator shall be so constructed that visual inspection of it can be made from outside the tank, and shall be readily cleanable.

33. (1) In the case of an agitator that is not removable from the tank the agitator shall be provided with at least 1-inch space between the bottom of the inside lining and the nearest point of the agitator blade, but this provision shall not apply when the agitator is hinged with the main cover.

(2) All interior angles of the agitator blades shall be rounded and have radii of at least  $\frac{1}{4}$  inch.

(3) The opening through the bridge or the main cover shall be provided with at least 1-inch space for brush cleaning between the shaft and the inside surface opening.

(4) The inside surface of the opening shall be not more than  $\frac{3}{4}$  inch in vertical depth.

34. (1) In the case of an agitator that is removable from the tank, the agitator shaft shall be provided with a coupling which is easily accessible and readily demountable.

(2) A coupling for use inside the tank shall be of sanitary type.

(3) The coupling when located outside the tank shall be installed above the protection provided for the shaft opening into the tank.

(4) All surfaces of the bottom support of an agitator shall be visible when the agitator shaft is removed.

(5) The bottom support shall not interfere with proper drainage of the tank.

(6) The opening through the bridge or the main cover shall be provided with at least 1-inch space for brush cleaning between the shaft and the inside surface of the opening.

35. In the case of a horizontal agitator, the shaft shall be provided with a sanitary type rotary seal and shall be demountable for cleaning.

36. (1) When the agitation of the milk is by compressed air, the air before being used for this purpose, shall be filtered to remove dust, insects, all extraneous material and any source of objectionable odours, and shall be conveyed to the milk by sanitary piping from a point above the surface of the milk in the tank.

(2) The piping used to convey the air shall be designed to prevent siphoning or back flow of milk into the air system.

#### TANK-TRUCKS

37. (1) No person shall transport milk from a farm bulk tank except in a tank-truck having a tank with an inside lining of stainless steel.

(2) No person shall operate a tank-truck for the transportation of milk from a farm bulk tank except a tank-truck equipped with

(a) an insulated, dust-tight cabinet constructed of stainless steel for the holding of milk hose, a pump and other equipment used in transferring milk from farm bulk tanks to the tank-truck, and

(b) an insulated dust-tight cabinet constructed of stainless steel for the holding of samples of milk and a means by which they are kept cool.

(3) No person shall transfer milk from a farm bulk tank to a tank-truck except by means of hose.

(4) No person shall use hose for the transfer of milk from a farm bulk tank to a tank-truck except hose which has smooth surfaces, is readily cleaned, is not toxic and does not affect the taste of milk that comes in contact with the hose.

38. No person shall be a tank-truck operator who transports milk from a farm bulk tank except the holder of a milk grader's certificate under Ontario Regulations 214/56.

39. (1) A tank-truck operator shall before transferring any milk from a farm bulk tank to his tank-truck, examine the milk in the tank and where he finds that the milk examined would be rejected at a plant under Ontario Regulations 214/56 he shall not transfer any of the milk from the tank to the tank-truck but shall

(a) take a sample of the milk,

(b) make a rejection tag showing the cause of the rejection, and

(c) deliver the rejection tag to the producer or attach it to the tank.

(2) Where a producer receives a rejection tag he may apply to the operator of the plant, or the distributor to which he supplies milk for acceptance of the milk in respect of which the rejection tag was issued.

(3) Where the operator of a tank-truck declines to transfer milk from a farm bulk tank under subregulation 1 the producer shall not sell or offer for sale the milk for human consumption or processing unless it is accepted by a plant or a distributor upon application under subregulation 2.

40. (1) No tank-truck operator shall transfer milk from a farm bulk tank without determining the weight of the milk in the tank.

(2) The operator of a tank-truck immediately after he determines the weight of the milk in the tank shall make a report to the producer showing

(a) the date,

(b) the weight of milk in the tank,

(c) the reading of the gauge rod or other measuring device, and

(d) the temperature of the milk.

(3) Where a measuring device used in determining the weight of the milk in the tank does not show the weight of the milk, the tank-truck operator shall compute the weight.

(4) In computing the weight of milk under subregulation 3, one gallon of milk is deemed to weigh 10.32 pounds.

(5) Immediately after determining the weight of milk in the tank the tank-truck operator shall start the agitator.

(6) After the agitator has been in operation for at least 5 minutes and so much longer as may be necessary for the milk to be thoroughly mixed, the tank-truck operator shall take a sample of at least 1 ounce of the milk.

(7) Each sample of milk taken under subregulation 6 shall be put into a glass bottle used only for holding samples of milk from the tank of one producer and the bottle shall be closed by a rubber stopper that fits over the top of the bottle.

(8) The tank-truck operator shall add to each composite sample of milk such amounts of mercuric chloride, or other preservative equivalent for the purpose, as may be necessary to preserve the composite sample.

(9) A tank-truck operator shall after transferring the milk from a tank to his tank-truck rinse the tank with cold or lukewarm water.

(10) Every producer shall clean his tank after each time it is empty and before it is used again by means of a cleaning compound capable of removing dirt and milk deposits and rinse the tank with a solution containing an effective disinfecting agent.

## CONTAINERS

41. Where milk of a producer is transported other than by tank-truck, the containers of the milk shall be

- (a) metal,
- (b) in good condition,
- (c) free from rust, open seams and other defects, and
- (d) covered by a secure lid.

## VEHICLES FOR TRANSPORTATION

42. (1) No person shall transport milk in a vehicle

- (a) which is in an insanitary condition, or
- (b) which has been used for a purpose that may cause contamination of milk, or containers thereof, subsequently transported in the vehicle.

(2) No person shall transport milk in a vehicle other than a tank-truck, except

- (a) a vehicle with a covered van body having rigid walls, an insulated roof and a solid floor, so that wind, dust and moisture cannot seriously affect the milk or containers thereof or permit extreme heat or freezing conditions within the shipping space of the vehicle, or
- (b) a vehicle owned by a producer and used to transport his own milk when the milk and containers thereof are protected from extreme heat and freezing conditions, dust and contamination, or
- (c) a vehicle used to transport milk before these regulations come into force but this clause expires with the 1st of January, 1960.

(3) No person shall deck containers of milk in a vehicle used to transport it without decking boards which are supported from the body of the vehicle and so located that clearance is provided for the containers in each deck.

(4) Milk shall be transported without delay.

## PENALTY

43. Every person who violates any of the provisions of Part I of the Act or any regulations thereunder shall be guilty of an offence and on summary conviction shall be liable to a penalty of not less than \$10 and not more than \$100.

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be

transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be

transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.

## THE LAND TITLES ACT

### O. Reg. 245/56

General Amendments.

Amending Regulations 237 of Consolidated Regulations of Ontario, 1950.

Made—6th December, 1956.

Filed—10th December, 1956.

## RULES MADE UNDER THE LAND TITLES ACT

1. Regulations 237 of Consolidated Regulations of Ontario, 1950, as amended by Ontario Regulations 20/56, are further amended by adding the following rule:

53b.(1) The master of titles or local master of a district or county through which

(a) the Northern Ontario section of the trans-Canada pipe line, as referred to in the Northern Ontario Pipe Line Crown Corporation Act (Canada), or

(b) any pipe line constructed by Trans-Canada Pipe Lines Limited,

passes shall keep a register to be called the Trans-Canada Pipe Line Register.

(2) All route plans defining the location of easements registered by Northern Ontario Pipe Line Crown Corporation, or Trans-Canada Pipe Lines Limited, shall be entered in the Trans-Canada Pipe Line Register.

(3) Notwithstanding rule 53, the master of titles or local master to whom this rule applies shall not call for the production of the charter of Trans-Canada Pipe Lines Limited, or Northern Ontario Pipe Lines Crown Corporation, or any evidence as to their compliance with The Mortmain and Charitable Uses Act.

2. Rule 67 of Regulations 237 of Consolidated Regulations of Ontario, 1950, is revoked and the following substituted therefor:

67. Fees payable to the master of titles or local master shall be paid in money.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be

transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

## Applications to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bills shall, upon giving the Notice required by preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters afore-

said shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill, together with the report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

RODERICK LEWIS  
Clerk of Legislative Assembly  
of Ontario.
